

**Brush collection**  
**Why so important**

The Brush Collection and Recycling Program is one of several services provided by Dover Township. The Brush Collection helps to reduce the need to burn in residential areas and helps to keep our air quality cleaner. We as homeowners need to keep our properties clear of any brush or branches that may hinder any clear site distances near driveways and intersections.

Curbside brush is collected in the spring and again in the fall. Dover Township residents can bring their brush to the Township's Brush drop-off area located on Municipal Road behind the Township Municipal Office every Saturday between the hours of 7 a.m. and 4 p.m..

Once the brush is collected by the Township, it is transported to a recycling center. This is just a part of the ongoing recycling efforts of Dover Township.

For Additional Information

## DOVER TOWNSHIP BRUSH COLLECTION

Please place your brush along the curbside or roadway. Call the Dover Township Office at 292-3634 to advise us of your address and a crew will pick up your brush. Brush Collection for the Spring of 2008 will begin April 14, 2008 and will continue until May 9, 2008. The Fall Brush Collection will begin September 22nd and will continue until October 20, 2008.

### TIPS FOR BRUSH COLLECTION

Please keep the lengths of limbs and brush no longer than six feet long and less than 6 inches in diameter: larger materials need to be brought to the Dover Township drop-off area.

The Township crews will only pick up brush, tree branches and shrubbery without roots, ground or sod.

Do not mix leaves or other yard waste into the brush you place at curbside.

Brush left in the street may interfere with traffic or drainage.

Remember to park cars off the street where possible.

Grass clippings and leaves are not to be mixed in with the brush.

If you miss curbside brush pick-up, we still have the brush drop-off area located on Municipal Road behind the Dover Township Municipal Building, 2480 West Canal Road every Saturday between the hours of 7 a.m. and 4 p.m. The Drop-off area is only open to Dover Township Residents; so, please bring your driver's license with you to verify to the attendant that you live in the township.

### **REMEMBER**

#### **TREE/BRUSH DROP-OFF SITE**

NO GRASS CLIPPINGS/SOD

NO GROUND/STONES/ROCKS

NO STUMPS

NO REFUSE/TRASH

NO COMMERCIAL CONTRACTORS

ONLY YARD WASTE FROM DOVER TWP PROPERTIES

BRING YOUR DRIVER'S LICENSE

THE DROP-OFF AREA IS UNDER VIDEO SURVEILLANCE

### CHRISTMAS TREE RECYCLING

Christmas Trees can be placed curbside for pick up during your regularly scheduled garbage collection day.

NOTE: Leaf Collection is a separate pick-up which is another program provided by Dover Township. The Township provides leaf pick-up in the fall and just after Brush Collection. Please do not put branches in the leaf piles because this causes our vacuum machines to clog. Call our office at 292-3634 for more information regarding our leaf collection program.
