Make Sure to Participate in the 2020 Census!

The U.S. Constitution mandates a census of the population every 10 years. Census statistics help determine the number of seats each state holds in the U.S. House of Representatives and how billions of dollars in federal funds are allocated to state and local communities for the next 10 years.

Make PA
count
Census 2020

Below is a timeline of how and when the Census Bureau will invite households to complete the 2020 Census questionnaire:

March 12-20: Initial invitations to respond online and by phone will be delivered by the U.S. Postal Service. Areas that are less likely to respond online will receive a paper questionnaire along with the invitation to respond online or over the phone.

March 16-24: Reminder letters will be delivered.

March 26-April 3: Reminder postcards will be delivered to households that have not responded.

April 8-16: Reminder letters and paper questionnaires will be delivered to remaining households that have not responded.

April 20-27: Final reminder postcards will be delivered to households that have not yet responded before census takers follow up in person.

If a household does not respond to any of the invitations, a census taker will follow up in person sometime between May 13 and July 31. A sample of the 2020 Census paper questionnaire and preview of the online questionnaire is available, along with more information about when most people will receive their invitations in the mail.

For more information about the 2020 Census, visit 2020census.gov.

YORK COUNTY CONSERVATION DISTRICT

Did you know that trees provide many benefits to us every day. Trees purify our air and beautify our communities. They reduce soil erosion and improve the water quality of our local streams. In this year which marks the 50th anniversary of Earth Day, the benefits provided by trees cannot be overstated, as trees help fight climate change. Through the natural process of photosynthesis, trees absorb carbon from the air, store it and slowly emit pure oxygen. Scientists estimate that in just one year, a mature leafy tree produces as much oxygen as ten people inhale. For the past 45 years, the York County Conservation District has hosted an annual tree seedling sale, with over 20,000 seedlings sold each year. The varieties available at this year's sale include native tree seedlings such as pawpaw and white pine, and fruit-bearing trees including Asian pear trees and gala apple trees.

The complete order form and descriptions of all the varieties being offered this year can be found at the Conservation District website at www.yorkccd.org. Orders will be accepted now through March 23rd. To place an order, return the completed order form, including a check payable to YCCD or your credit card information, to York County Conservation District 2401 Pleasant Valley Road, Suite 101-139 York, PA 17402. Orders will be available for pickup at Rocky Ridge County Park on Thursday, April 16th between 10am and 6pm. Proceeds from the sale are used for the Conservation District's education programs including the annual Envirothon county-wide school event.

Again this year, you can stop by for a free blue spruce or white pine seedling on Thursday, April 16th at Rocky Ridge Park (off Mt. Zion Road). Simply print the coupon posted on the Conservation District website and we will give you a free tree seedling to plant in your yard (one per person). For additional information or to request that a tree seedling sale brochure be mailed to you, call the Conservation District Office at 717-840-7430.

ADOPT A ROAD/PARK PROGRAM

THE ADOPT A ROAD PROGRAM OFFERS SEVERAL BENEFITS FOR DOVER TOWNSHIP

Adopt A Road/Adopt a Park is a national litter awareness program. This program helps to provide Dover Township and its residents with a clean environment, acts as a reminder not to litter, saves taxpayers money and promotes civic pride.

Dover Township is happy to sponsor this program and is looking for volunteers. If you, your family or your civic minded group would like to volunteer for a 2 year period, please contact us. We will give you all the supplies you need. With that two year commitment, we will erect a sign identifying the name of your organization.

Please contact Brooke Scarce for more information at 717-292-3634 or bscarce@dovertownship.org.
