## ADDRESSES ON YOUR HOUSE

Are you aware that every dwelling, whether residential, commercial, industrial, etc. should have an address on the building that identifies the number address? The building numbers should be in a position that is plainly legible and visible from the street or road fronting the property. These numbers shall be a minimum of four (4") inches high with a minimum stroke width of ½ inch. Address shall be Arabic numbers or alphabetical letters. If you live back a lane and the dwelling is not visible from the road/street a monument, pole or other sign or means shall be used to identify the structure. Also, if you live back a right-of-way and there are multiple dwellings please place a sign/marker at the public road indicating the addresses that are back that particular lane. Addresses on your mailbox do not help when there are multiple mailboxes at one site or if your house is across the street from the mailbox.

The building code that Dover Township follows mandates that addresses be on the dwelling. Emergency personnel, such as the fire, police, 911 centers have noted that some residences are difficult to find. Properly display your address so first responders can assist you in a timely manner.

# Fitness Times

## FITNESS PROGRAMS:

Are you looking to get back in shape or just looking to add something new to your workout? Dover Township Recreation has several fitness programs for you to try! **All fitness programs run all year long. You can sign up at any time with the instructor right at the class.** Keep it Fit and Yoga each have their own punch card. Any questions please call Mike at 292-3634 or visit our website at [www.dovertownship.org](http://www.dovertownship.org).

### **Morning- Keep it Fit!**

This class is designed to strengthen your body and tone muscles. The class begins with no impact aerobics to strengthen your heart and warm up your body. We then conclude with muscle conditioning exercises and stretches. We use hand weights, stability balls, bands and more! There is something for everyone and you are encouraged to work at your own fitness level. Class is held at the Community Building.

**Cost** - Drop in fee: \$5

**Punch cards:** (can be used for Keep it Fit! Only)

~ **1 Class a week** (8 classes) for 3 months- \$25 resident/ \$35 non-resident

~ **2 Classes a week** (16 classes) for 3 months- \$45 resident / \$55 non-resident

~ **3 Classes a week** (24 classes) for 3 months- \$65 resident/ \$75 non-resident

**Class** – Monday & Wednesday 9:45 – 11 am

Friday- 10 am to 11:15 am

## **YOGA**- At the Dover Township Building 2480 W. Canal Road

**Yoga for relaxation** - Tuesday and Thursday Evenings 6:00-7:00 pm

This class allows you to slow down and relax your mind and body. With our busy lifestyles, slowing down can be a difficult thing to obtain. Sometimes it inhibits our sleep and it can get in the way of our focus. Never giving ourselves time to rejuvenate can lead us to being irritable and short with the people we work with and our loved ones. If you have ever had a desire to try yoga but feel as though you are not flexible, thin or young enough, this is the class for you.

**Saturday Morning Yoga** - 8:30-9:30 am.

A fabulous way to shift gears from the work week to the weekend. Shed the worries of the week and re-claim your week-end time with this gentle Yoga class.

**Cost:** Drop in fee: \$5

**Punch Cards:** Yoga cards are only good for Yoga classes!

~ **1 Class a week** (8 classes) 3 months- \$30 resident/ \$40 non-resident

~ **2 Classes a week** (16 classes) 3 months- \$50 resident / \$60 non-resident

~ **3 Classes a week** (24 classes) 3 months- \$70 resident/ \$80 non-resident

## Newsletter Goes Green?

The Township is exploring the idea of emailing its quarterly newsletter to residents. This is one way that we can reduce costs. We would not need to print many copies for our 6,000 plus households and we would save money on postage. The Township needs to know if you are interested in this new program to receive update to date information from your municipal offices. Please fill out this form and return it to our office as soon as possible, so that we can determine that you ARE interested in this new program. **Let's Reduce, reuse and recycle together!**

**New Hope Ministries is a community based Christian social service agency which provides assistance to at risk and in crisis individuals and families. New Hope Ministries shows the love and hope of Christ by serving our neighbors in times of need and supporting their efforts toward stability.**

In August, our Back to School Days was a great day of fun for our families who came. Mt. Royal UMC hosted the event for our guests. They provided a bounce house, face painting, balloon animals, crafts and food. Northern Regional Police was there with Officer Dorothy. We were able to bless 104 students with school supplies, back packs and fun activities. Thank you to the churches that donated to make this event extra special for our families. We appreciate the Dover community and their continued support of our agency!

**Do you have a couple of hours to give?**

**Various volunteer opportunities available!**

Specific opportunities are available to help our clients apply and prepare for job interviews and teaching our Budget classes (day and evening). Volunteer Applications can be obtained by visiting our web site, or by stopping by the center.

## **Dover Ambulance 2014/2015 Subscription Notice**

**Valid: October 1, 2014-September 30, 2015**

Since 1958, Dover Area Ambulance Club, Inc. (DAAC) has been committed to providing the highest quality Basic Life Support Service to everyone in our area. DAAC is NOT associated with any local Fire Department and is a nonprofit ambulance service. DAAC does not receive ANY local tax subsidy. We rely on donations from the Community and billing to off set the high costs of the service.

DAAC staffs two ambulance daily with paid EMT's. DAAC runs around 2100 calls a year.

**SUBSCRIPTIONS DO NOT COVER SERVICES PROVIDED BY LOCAL ADVANCED LIFE SUPPORT UNITS (ALS).**

**DAAC SUBSCRIPTIONS DO NOT COVER TRANSPORTS BY ANY OTHER AMBULANCE SERVICE.**

**WHEEL CHAIR CAN SERVICES ARE A SEPARATE SERVICE AND NOT COVERED.**

*Dover Area Ambulance  
Club Inc.*

*40 East Canal Street*

*Dover PA 17315*

*717-292-9776*

### **Subscriptions Coverage and Benefits:**

Did you know that some insurance companies do not pay for ambulance service as part of their benefits. You will want to see what your coverage is.

DAAC will write off what insurance won't pick up, once copays have been paid.

If you have no insurance a subscription offers a discount of 15% on services.

You will receive a bill from Healthcare Management Control (HMC) in Lancaster. You can submit the bill to your insurance company or give your insurance information to HMC, so they can bill your insurance direct. Your subscription covers the portion of the bill your insurance does not pay, after the third party providers have been billed.

The Subscription does not cover yearly deductibles that you are "required" to pay.

The subscription is good for three (3) 911 responses including refusal of services.

A participating subscriber shall be entitled to "emergency" ambulance service by Dover Area Ambulance Club, when available, to the closest hospital emergency room in our response area, providing the hospital is not on divert and is accepting patients.

## RESIDENT FALL BRUSH PICK-UP AND RESIDENT LEAF COLLECTION SERVICES

Please place your brush along the curbside or roadway. Call the Dover Township Office at 292-3634 to advise us of your address and a crew will pick up your brush. Brush Collection for the FALL of 2014 will begin September 15, 2014 and will continue until October 10, 2014.

Leaf Collection is a separate pick-up which is another program provided by Dover Township. The Township provides leaf pick-up in the fall and just after brush Collection. Fall Leaf Collection of 2014 will begin November 10, 2014 and will continue until December 19, 2014 or until the first snow. Call our office at 292-3634 for more information regarding our collection programs.

## TO FLUSH OR NOT TO FLUSH DISPOSABLE VS. FLUSHABLE

Clean water is critical to sustaining life and health, yet people often take for granted the flow of water into and out of their homes and businesses. Where does it go after we flush the toilet, empty the sink, take a shower or do laundry?

Wastewater drains into a community's sanitary sewer system, an underground network of pipes that leads to the wastewater treatment plant. At the wastewater treatment plant, the used water is "cleaned" by several treatment processes and returned back to the environment to be used over and over again.

Sewers are designed to take away used water from sinks, baths, showers, laundries and toilets. Flushing away "unflushable" items such as garbage, paper towels and disposable wipes causes blockages in sewers, which leads to backups and adds to the cost of operating and maintaining your sewers and the treatment plant. "Disposable" does not mean flushable. Disposable is a product for single use that can be recycled or thrown away after it is used. Most baby wipes and adult wipes are not flushable because they stay intact in water and don't disintegrate like toilet paper. They should be thrown away in a trashcan. Other items such as rags, towels, diapers, kitty litter, cigarette butts and unused medicines should be disposed of properly – in the trash!

## NOTE:

The roads on the left have been designated as snow emergency routes. No person shall operate a motor vehicle on the designated roads in a manner that may cause the vehicle to become stalled either by not being properly equipped with chains or effective snow tires or running out of gas. The term motor vehicles also include, but are not limited to, snowmobiles, trailers, three-wheeled and four-wheeled vehicles. If a snow emergency is declared, parking on these streets is prohibited until the emergency is declared terminated.

## Things to Keep In Mind...

\*If a storm is anticipated, remove vehicles from the roadside shoulders. This allows plows to clear the area the first time through, making return trips unnecessary.

\*Do not shovel snow into the road or have your driveway plowed into the road. This can cause a serious traffic hazard.

\*If possible, wait until the road has been plowed before cleaning out the end of your driveway. There is no practical way to plow the road without depositing snow into your driveway.

\*Plow operators are urged to take precautions to avoid hitting mailbox posts. Experience has shown that reduced visibility during a storm makes it difficult for a driver to see a post in time to avoid striking it or pushing it over with plowed snow. Any installation with the right-of-way, including a mailbox is placed there at the owner's risk.

\*Do not be misled by trucks running with their plows raised. They may be returning for fuel or they may be headed to another area. The municipality may not be responsible for all roads in the area. Some roads may be maintained by the state, some by the county, and some roads may be private (as in developments where roads have not yet been dedicated).
