

DOVER TOWNSHIP

York County, Pennsylvania

SUMMER 2013

DOVER TOWNSHIP IS COMMITTED TO WORKING WITH THE YOUTH OF OUR COMMUNITY!

Over the past few years we have been working on ways to provide outreach opportunities with the youth in our community. After all, they are the future. The following are some examples of ways that we have been successful!

- We participate in the Dover Area School District Occupational Advisory Committee and Diversified Occupation Programs providing opportunities to high school student interns to earn on the job experience in the field of GIS (Geographic Information Systems). This spring we had two interns helping collect and map data for our sewer, water, stormwater, and highway systems. We also had our first accounting intern who learned about governmental budgeting, accounting and auditing practices. ***Congratulations Dominic Krout (GIS), Zach Renda (GIS) and Curt Harman (Accounting) on your graduation and best wishes for your continued success in college!***
- We provide public outreach through public speaking on the topics of water quality/conservation, local government, public works, recycling, and wastewater treatment plant tours. This May, an American Government Class from Dover High School visited our offices to find out more about the community in which they live.
- Boy Scout Troop #22 of Weiglestown participated in the planting of our Rain Garden at Brookside Park by providing all the muscle! Thank you to Troop 22! In the future, an educational station will be built to publicly display all the steps for building a rain garden at home, so you can visit and learn how to build your own. ***(A special thank you to Stauffer's of Kissel Hill for donating some of the plants to the rain garden!)***
- The Adopt a Road/Right of Way Program has been revamped. We have had interest from several organizations regarding this program. New Creation Church has been a long time member of this program. Boy Scout Troop 67 of Dover and the Dover Lions Club have adopted Park Street and the Sewer right of way along the stream. Thank you so much!
- Many projects in our parks have been planned and implemented by our Eagle Scout candidates. Some of those projects consist of plantings, building signs or recycling bins, installing a fitness trail, baseball dugouts and bridges, etc. All of these projects are acknowledged formally at a Township Meeting when the Eagle Scout candidate achieves this rank. A Resolution of the Board of Supervisors is passed and placed in the Township records memorializing the Eagle Scout's commitment to our community.

A DOSE OF PROTECTION DRIVERS CAN—AND SHOULD— PREPARE FOR THE WORST WITH PENNSYLVANIA'S NEW **YELLOW DOT** PROGRAM

It may sound crazy, but a yellow dot could save your life.

This relatively simple idea — part of a nationwide public safety effort that Pennsylvania recently joined — has proven to be an effective way for drivers injured in an accident to relay important information to emergency response teams.

All you have to do is place a special yellow sticker in the bottom left corner of your vehicle's rear window. This alerts first responders to check the glove compartment for, among other things, your emergency contact information, medical history, and a list of medications. And, best of all, it's free to participate.

"When we went back to see him, the nurse held up the Yellow Dot folder and said, 'Where did you get this?' I told her, and she said, 'This is the best thing I've ever seen.'"

'The best thing I've ever seen'

First initiated in Connecticut in 2002, the Yellow Dot Program has given a voice to people in life-threatening situations. The initiative, however, is not only valuable to those in serious accidents who are unable to respond to emergency workers. It's also a vital tool in less serious accidents when victims are in shock and may have difficulty remembering things. "This program speaks for people when they can't speak for themselves so medical concerns can be addressed and contacts can be reached as quickly as possible," Gov. Tom Corbett said recently.

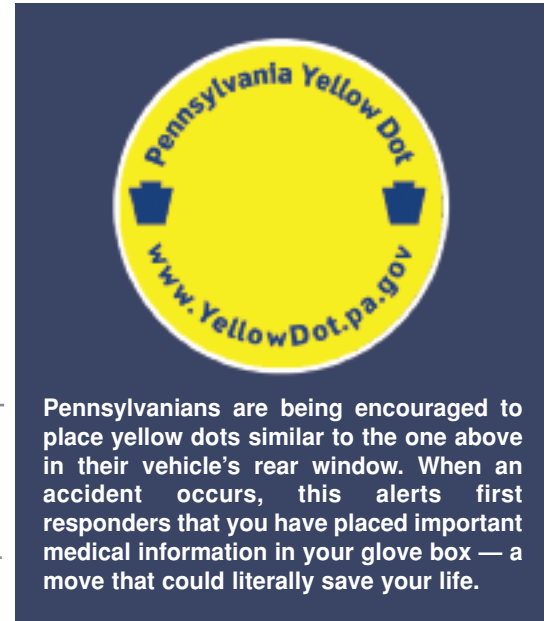

For instance, when an 87-year-old man was involved in a serious accident soon after placing a yellow dot and medical information in his truck, first responders were able to quickly alert his family as he was being airlifted to the hospital. "When we went back to see him," a family member recalls, "the nurse held up the Yellow Dot folder and said, 'Where did you get this?' I told her, and she said, 'This is the best thing I've ever seen.'"

Where to get a kit

Pennsylvania's Yellow Dot kits are available from a number of sources, including:

- online at www.YellowDot.pa.gov (click on the "How can I participate in Yellow Dot?" link);
- at one of **Pennsylvania's 52 Area Agencies on Aging**; and
- at **Regional EMS/County Health Centers**. [Call (877)-PA-HEALTH (877-724-3258) to find the nearest center.] The kit includes a yellow dot decal, which you should put in your vehicle's rear window. Participants also need to complete a personal information form that asks for such things as your name, address and phone number, emergency contact information, medical history, medications, and hospital preference. The document, along with your photo, should then be placed in your glove box.

Pennsylvanians are being encouraged to place yellow dots similar to the one above in their vehicle's rear window. When an accident occurs, this alerts first responders that you have placed important medical information in your glove box — a move that could literally save your life.

NOTE: The Yellow Dot Program is a cooperative effort among the state departments of Transportation, Health, and Aging, the Pennsylvania State Police, the Pennsylvania Turnpike Commission, first responders, and local law enforcement.

Are you ready for any emergency?

After a major disaster, the usual services we take for granted, such as running water, refrigeration, and telephones, may be unavailable.

Experts say you should be prepared to be self-sufficient for at least three days with a household disaster kit. The contents should be stored in a large, watertight container that is easy to access and move, such as a large plastic garbage can with a lid and wheels.

Your basic emergency kit should include:

- Water – one gallon per person per day
- Food – ready to eat or requiring minimal water
- Manual can opener and other cooking supplies
- Plates, utensils, and other feeding supplies
- First Aid kit and instructions
- A copy of important documents and phone numbers
- Warm clothes and rain gear for each family member
- Heavy work gloves
- Disposable camera
- Personal hygiene items, toilet paper, and soap
- Plastic sheeting, duct tape, and utility knife
- Tools, such as a crowbar, hammer and nails, staple gun, adjustable wrench, and bungee cords
- Blanket or sleeping bag
- Large heavy-duty plastic bags and a plastic bucket for waste and sanitation
- Water and supplies for pets

A component of your disaster kit is your “go-bag,” which is a backpack or other easy-to-carry container that you can grab quickly if evacuated. One go-bag should be prepared for each family member. Be sure to attach an I.D. tag to each bag and include the following:

- Flashlight
- Battery-operated radio
- Batteries
- Whistle
- Dust mask
- Pocket knife
- Emergency cash
- Sturdy shoes, a change of clothes, and a warm hat
- Local map
- Permanent marker, paper, and tape
- Photos of family members and pets
- List of emergency phone numbers
- Copy of health insurance and ID cards
- Extra eye glasses, hearing aids, and other vital personal items
- Prescription medications and first aid supplies
- Toothbrush and toothpaste
- Extra keys to your house and vehicle

Check out what's happening at Heritage Senior Center for Dover Community residents age 60 and over. Stop in Monday-Friday, 8:00 am-3:00 pm and get acquainted!

Check out our Tai Chi classes, Mondays 1:00 pm-2:00 pm. This class is the Arthritis Foundation's sun style Tai Chi. Members (60 and Over) – No Charge. Non-members - \$3/class.

Dear Neighbor,

Are you looking for a way to make a difference in your community? Heritage Senior Center is appealing to Dover residents, businesses and organizations for help! Our Center is facing York County Area Agency on Aging funding reductions of more than \$55,000 this year. We need YOUR help in order to maintain the current level of programs and services available to the Dover Community's senior residents.

We currently provide approximately 150 nutritionally-balanced meals/day (Mon-Fri)

- Noon meal at the Center provides a hot meal and the opportunity for the seniors to socialize and participate in our programs and activities.
- Meals on Wheels delivery to homebound seniors is a key element in keeping these folks in their own home vs. moving them into a nursing home facility.

How YOU can help:

- Volunteer at the Center or as a Meals on Wheels delivery driver.
- Make a tax-deductible donation of merchandise or gift cards.
- Advertise in our monthly newsletter or become a Community Partner (listed on our web site) with an annual donation.
- Make a tax-deductible donation in any amount to our General Operating Fund.
- Host our brochures at your establishment. We provide brochures/holder.

YOU can make a difference in the lives of your senior neighbors. Call 292-7471 to discuss volunteer/donation opportunities with Emma Crossley, Exec. Director.

A Summer Reid The Healing of America: June 12, 2013 – September 12, 2013

Residents are invited to participate in an adult reading program called A Summer Reid to be held from mid-June to mid-September. The book is The Healing of America by T.R. Reid, a well-written explanation of healthcare available in our country and that of the rest of the developed world. Readers will be asked to fill out a brief survey and interested respondents will be entered to win one of 30 tickets to hear T.R. Reid speak at a dinner held in York in September.

One Book, One Community - 10th Anniversary Celebration: August 21, 2013 – October 31, 2013

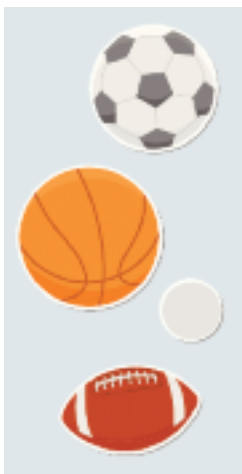

Public libraries in Berks, Cumberland, Dauphin, Lancaster, Lebanon, Perry, and York counties will launch the 2013 One Book, One Community read on Wed, Aug. 21 at 4 p.m. at Red Land Community Library in York County. Our readers and area book groups are welcome to come. Be among the first to find out the 2013 title as it is announced. Read the book in September and join the libraries for book discussions and related programs during October. As part of the celebration, we invite our readers to participate in a One Book, Your Vote campaign during the month of October 2013 in preparation for a 2014 One Book, One Community program to be held in January and February. The initiative will become a winter read. Libraries will create a display titled "Meet the finalists!" We will have short summaries to help people to choose the favorite title from among five selections. Voting will be throughout the month of October 2013. The winning title will be announced before the holidays for people who wish to buy the book for a gift. Read in January...programs in February. www.oboc.org for details.
