5 SUMMER FIRE SAFETY TIPS

Summer weather means cookouts, Fourth of July fireworks, and all sorts of campfire fun as families across the country take advantage of the warm temperatures to get back in touch with nature.

Dover Township Volunteer Fire Department would like to thank FEMA and the U.S. Fire Administration for their assistance in putting together this list of five summer fire safety tips:

- 1. Keep a bucket of water or hose handy.** If an ember floats out of your U.L. approved fire pit, or a log falls down from your bonfire stack and sets nearby foliage, paper, or other flammable materials aflame, you don't want to be scrambling for a way to put the fire out. Having a bucket of water nearby is a great first response tool to keep a fire under control. Remember to check the local regulations for burning before you have a recreation fire or decide to burn up that yard waste. Controlled burns are only allowed in Agricultural and Conservation zoned areas in Dover Township.
- 2. Sparklers and pinwheels might seem "low risk," but the reality is that there aren't any fireworks out there that are safe enough for kids to use.** It's also important to ensure that no one tries to re-light fireworks that don't work properly the first time. Dump these in a bucket of water and move on to the next package. Best bet- only attend fireworks displays put on by the professionals.
- 3. Don't let barbeque grease build up.** Whether you're using a charcoal or a gas grill, it's important to keep it clean to prevent accidental grease fires caused by all of the gunk that can accumulate on a grill over time.
- 4. Inspect the area around your BBQ.** You don't want to grill anywhere near other flammable materials. This includes deck railings, overhanging branches, dry grass or that pile of dry wood and recycling sitting in the back corner of your yard.
- 5. When you're done with the fun, put out the flames.** While it might seem romantic to fall asleep in front of a campfire, you really should dump water and/or sand on those embers before catching some shut-eye. The same goes for BBQs – close your propane valve and the unit's lid, as well as any vents on a charcoal grill once you're done. Unsupervised BBQs can easily tip over in the wind. A breeze can pick up and carry coals and embers from that campfire, dropping them where they can ignite dry grass, branches, trees or deck planks.

The Dover Township Fire Department has **BINGO** every **Friday night** at 3700 Davidsburg Rd. Door opens at 5 pm and games start at 6:45 pm.

ENJOY THE SUMMER!

From your Friends at Dover Township Volunteer Fire Department

OPEN HOUSE

Save the date! On September 27th, Dover Township Fire Department will be hosting our annual open house. Come join us from 11am to 4pm at 3700 Davidsburg Rd for an exciting day of family fun. The Dover Township Fire department will be opening its doors to the public! The day will be filled with fun events for everyone including face painting, fire education, and of course fire truck rides. There will even be a vehicle extrication demo. The public will have a front row seat to what the fireman of Dover Township do! We hope to see everyone there!

The programs are focused at individual skill development with technical curriculums that are designated according to age and ability. Includes free UK camp ball, T-shirt and certificate or evaluation.

Art of a Different Color

We invite you to allow us to introduce your children to the world of the Master Artist. We will teach your children about famous artist such as, Picasso, Van Gogh and Matisse. Children will learn about the artist as well as the techniques and media used to create their art. Then students will create their own versions of these Masterpieces, applying the techniques learned. We have seen children's self-esteem flourish when they see what they can create.

Pre-Registration is required! Class size limited to 10 children per session!

Fitness Programs

Are you looking to get back in shape or just looking to add something new to your workout? Dover Township Recreation has several fitness programs for you to try! **All fitness programs run all year long. You can sign up at any time with the instructor right at the class.** Zumba and Keep it Fit share a punch card so you can go to either class. The Yoga punch card is only good for Yoga classes. Any questions, please call Kristal at 292-3634 or visit our website at www.dovertownship.org

MORNING - KEEP IT FIT!

This class is designed to strengthen your body and tone muscles. The class begins with no impact aerobics to strengthen your heart and warm up your body. We then conclude with muscle conditioning exercises and stretches. We use hand weights, stability balls, bands and more! There is something for everyone and you are encouraged to work at your own fitness level. Class is held at the Community Building.

- ~ 3 Classes a week (24 classes) for 3 months- \$65 resident/ \$75 non-resident

Class: Monday & Wednesday 9:45 am – 11 am
Friday - 10 am to 11:15 am

YOGA – At the Dover Township Building 2480 W. Canal Road

YOGA FOR RELAXATION - Tuesday and Thursday Evenings 5:30 pm - 6:30 pm

This class allows you to slow down and relax your mind and body. With our busy lifestyles, slowing down can be a difficult thing to obtain. Sometimes it inhibits our sleep and it can get in the way of our focus. Never giving ourselves time to rejuvenate can lead us to being irritable and short with the people we work with and our loved ones. If you have ever had a desire to try yoga but feel as though you are not flexible, thin or young enough, this is the class for you.

POWER YOGA – Tuesday and Thursday Evenings 6:45 pm - 7:45 pm

This class has much more movement and is more likely to make you sweat. You will feel both relaxed and rejuvenated by the end of this class as well, it is just a different path to get there. If you have never done yoga before and you have healthy wrists and back, this is a fine class to start with. It is also a great class to continue with.

SATURDAY MORNING YOGA - 8:30 am - 9:30 am

A fabulous way to shift gears from the work week to the weekend. Shed the worries of the week and re-claim your weekend time with this gentle Yoga class.

COST: Drop in fee: \$5

PUNCH CARDS: Yoga cards are only good for Yoga classes!

- ~ 1 Class a week (8 classes) 3 months- \$30 resident/ \$40 non-resident
- ~ 2 Classes a week (16 classes) 3 months- \$50 resident / \$60 non-resident
- ~ 3 Classes a week (24 classes) 3 months- \$70 resident/ \$80 non-resident

Stray Cats of Dover Township

As you are probably aware, we have many stray cats and kittens in our township. Here are some ways we can help our community cats and our neighborhoods as well.

If you let your pet cat(s) outdoors, please make sure they have a current rabies vaccine (required by law) and are spayed (female) or neutered (male). The York County SPCA has a low cost spay/neuter program and also offers affordable vaccinations.

The new spay/neuter clinic at the York County SPCA has a program called Spay Our Strays (SOS). It advocates Trap-Neuter-Release (TNR) of stray cats as a humane alternative to euthanasia.

Stray cats can be dropped off by appointment. But I have found it easier to utilize their walk-in clinic. On Monday, Wednesday and Thursday mornings between 8:00 and 8:30 am, stray cats can be dropped off in your own covered humane trap (or one you have borrowed from family/friends). For the very low cost of \$15, the cat will be tested for leukemia, spayed/neutered, given a rabies vaccine, given a green tattoo next to their incision and ear tipped. This is an excellent value! You then pick up the cat between 4:00 and 4:30 the same day. After sheltering the cat in the trap in your garage or shed overnight, it can then be released back to the place it was trapped the following afternoon (24 hours after surgery).

TNR is an effective program that prevents many problems including feline overpopulation (shelters have many more animals than available homes), euthanasia of healthy cats, the spread of rabies, and undesirable traits such as howling, roaming and fighting. Community cats who have been spayed/neutered will also prevent additional cats from moving into their neighborhood.

Stray kittens have a chance to be fostered through the SPCA and adopted if caught between the ages of 5 weeks (weaned from mom and running/playing) and 8 weeks. Older kittens are harder to tame and should be trapped-neutered-released.

I live in Stonebridge Crossing and have trapped litters of kittens who have found loving forever homes after being fostered by wonderful people affiliated with the SPCA. I have also begun to implement TNR for our neighborhood's adult stray cats. Other township residents have as well. Remember, if you see a stray cat with its left ear tip removed, it has already been spayed/neutered and received a rabies vaccine. Please do not take an ear-tipped cat to a shelter. If you already implement TNR in your neighborhood, I would love to hear from you. Please contact me, Jeanette Lee, at jenlee64@comcast.net.
