

DOVER TOWNSHIP

York County, Pennsylvania

Winter 2012

2012 BUDGET MESSAGE FROM THE TOWNSHIP MANAGER

The 2012 Budget includes no property tax, sewer rent or water usage increase. The tax monies you pay to the Dover Township General Fund in 2012 will be used for the following services: Police, Highway, Facilities, Administration and Recreation Departments. Our anticipated expenses in 2012 total \$5,181,805.

The Highway Aid Fund, which is funded by Liquid Fuel Allocations from the State, anticipates \$491,000.00 in expenses for 2012. Projects include the following:

- Oakland Road in the area of Leib Elementary (Stormwater, Base Repair & Overlay)
- Conewago and Rohlers Church Roads (Stormwater & Base Repair)
- Nursery and Cherry Orchard Roads (Stormwater)
- Poplars Road (Overlay)

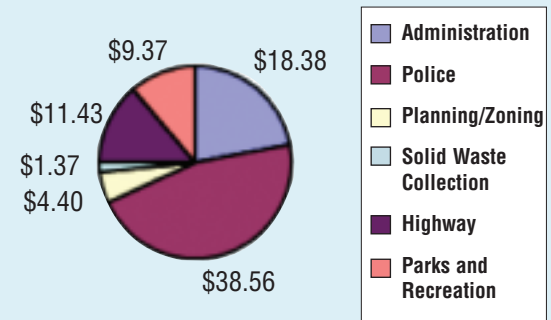

The Recreation Fee In Lieu of Fund consists of monies paid by developers on a per lot basis for the purposes of providing further recreation facilities in Dover Township. There are no anticipated projects for this fund other than finalizing the rebuild of the Carousel Building.

The Sewer Funds total expenses are anticipated to equal \$5,737,963. The Wastewater Treatment Plant has recently completed its upgrade necessitated by the Chesapeake Bay Initiative. Our Sewer collection continues to look for sources of infiltration and inflow in the system to lessen the costs of treatment of flows.

The total expenditures for the Water Fund are expected to equal \$2,106,038. The Township anticipates continuing its efforts at new well exploration, purchasing two portable generators, and working on various upgrades to several of our wells.

As always, Dover Township will continue to work to provide you with the best services we can in the most efficient, professional and cost effective manner possible.

Line 1: _____

Line 2: _____

Line 3: _____

Please make checks out to Dover Township. Please mail checks and this registration form to Dover Township Recreation, Attn: Buy A Brick 2480 W. Canal Rd. Dover, PA 17315. For more information please call Kristal at 717-292-3634.

Dover Township Adopts “Stormwater Management Ordinance”

Stormwater is rainwater and melted snow that runs off streets, lawns, and other sites. When stormwater is absorbed into the ground, it is filtered and ultimately replenishes aquifers or flows into streams and rivers. In developed areas, however, impervious surfaces such as pavement and roofs prevent precipitation from naturally soaking into the ground. Instead, the water runs rapidly into storm drains, sewer systems, and drainage ditches . . .

from www.epa.gov website

In March 2011, Dover Township adopted Ordinance 2011-06 “Stormwater Management Ordinance”. Adopting a new Stormwater Management (SWM) Ordinance was necessary to comply with existing Federal, State, and County SWM regulations and mandates.

Section 19-105 of the new SWM Ordinance states “All regulated activities and all activities that may affect stormwater runoff, including land development and earth disturbance activity, are subject to regulation by this Chapter.”

The new SWM Ordinance drastically changes the way the Township handles building permits for new structures and paving. These improvements will now require at least a SWM Permit application and may require the recording of an Operations and Maintenance (O & M) Plan, O & M Agreement, and Access Easement.

As an example:

A resident would like to install a storage shed. Along with the Building Permit Application the resident will now have to complete and sign a SWM Permit application. The SWM application will first be reviewed to see if the improvement qualifies as Disconnected Impervious Area (DIA). To qualify as a DIA (on the property) there must be a 75 foot flow path of unobstructed ground cover of suitable soils and < 5% slope. If the improvement is determined to be a “Qualified DIA” then the SWM Permit Application is all that is required along with a signed promise to properly maintain the DIA.

If the improvement does not qualify as a DIA some form of a structural Best Management Practice (BMP) such as a seepage bed or seepage trenches will be required along with the recording of a document which includes an Access Easement, O & M Agreement, and O & M Plan. Approval of the structural BMP will be made a condition of Building Permit approval.

If you have questions regarding SWM Permits please contact Dover Township Public Works.

For more information on Stormwater Management visit the United States Environmental Protection Agency’s website at www.epa.gov/oaintrnt/stormwater/index.htm.

WINTER 2012 EVENTS

Dover Area Community Library: Phone (717) 292-6814
3700-3 Davidsburg Rd., Dover, PA 17315

ADULT PROGRAMS

Tales For Tails

Second Saturday

This session is geared for beginning readers, reluctant readers, readers who need some practice and readers who love dogs! Join Miss Kristen & Magic and Miss Barb and Crissy to read a book or two. Magic and Crissy are certified Therapy Dogs who love to listen to stories. Sign-up please, but drop-ins welcome if there is time. Program held 2nd Saturday most months.

Monday Evening Story Time

Mondays, 7:00 p.m.

This evening session is geared for families with children of all ages. Join the fun as one of our volunteer shares her love for books! Gather the gang and discover books sure to become favorites! No registration needed, simply stop in!

Toddler Time

Tuesdays, 10 AM or Thursdays 11 a.m.

These sessions are geared for 2 and 3 year old children and an adult. Join Miss Karen as she shares books, rhymes, music, movement activities, finger-plays, crafts and more! Toddler Time has two different sessions – select the one that suits you the best. Story times will resume the week of January 17, 2012.

Baby Time

Tuesdays, 11 AM or Thursdays 10 a.m.

These sessions are geared for parent and child from birth to 2 years of age. Introduce your baby to literature and the library as Miss Karen share favorite books, knee jogs, songs, nursery rhymes and more. This is a great time for social interaction for both baby and parents. Grandparents, caregivers and siblings are welcome, too. Story times will resume the week of January 17, 2012.

Preschool Story Time

Tuesdays 1:00 PM or Thursdays 1:00 p.m.

These sessions are geared for children ages 4, 5 and 6. Parents may join us or browse in the library. Join Miss Karen as she shares books, music, action games, and more! Preschool Story Time has two different sessions, select one that suites you. Story times will resume the week of January 17, 2012.

Parent Education Session: Parent Stress: Putting Yourself First

Saturday, January 14, 2012 10:00 a.m. – 11:30 a.m.

Facilitator, Michelle Overmiller, possesses over ten years of experience as a counselor in the mental health and educational settings. She is also the mother of three high-energy boys! Her goal is to provide parents with real-life strategies for anything from common parenting dilemmas to more severe issues. Michelle provides useful information and entertains with examples of her countless interactions with both children and parents. Fee is \$25 per person. Please call or email Michelle at 717-586-0711 or www.innovativeparentacoach.com for more information or to register.

Winter Reading Challenge

Children ages birth-10 years

Monday, February 14 – Friday, March 17

Pick up a Winter Reading Challenge form at the library. Read (or be read to) 25 books that have an animal in it. Write the title, author, and list a favorite animal on the form. Return the completed form to the library for a prize.

Knitting Group

Wednesdays, 6:00 p.m.

Knit, chat, share, learn, and get out of the house... who could ask for more? Check at the main desk to see if there is a special project this month or bring in your current project. All knitters welcome. Group meets each Wednesday of the month.

Christian Fiction Book Discussion Group

3rd Monday Each Month, 6:00 p.m.

This group meets the 3rd Monday each month and is growing but new members are still welcome. Visit the display, borrow and read the book then join in the discussion. For more information or to register call the library at 292-6814.

Book Discussion Group for Adults

Last Monday of each month, 6:00 p.m.

The Book Discussion Group will meet on the last Monday of each month. For more information, visit the library or call 292-6814.

Saturday Night Coffee House

Saturday, January 21, 6:30 p.m. – 8 p.m.

The friends of the Dover Library invite you to a fun night of community and coffee. Relax and enjoy some great books, conversation, yummy desserts and some java in our renovated library. Coffee donated by Starbucks.

COMPUTER CLASSES - WINTER SESSION

Computer classes will be taught by Ellen Shultz, Fee - \$25 per 2 hour session. Registration required. Call or visit the library for more information.

Tuesday evening classes from 5:30 p.m. to 7:30 p.m.

March 16	Facebook

Check out what's happening at Heritage Senior Center for Dover Community residents age 60 and over. YOU are invited to stop in Mon-Fri, 8am-3pm.

We serve a hot lunch at Noon each day. Activities include cards, Wii games, Bingo, Exercise Classes, Bible Study, Knitting Group, Book Discussion Group, Day/Overnight Trips, Computer Lab, Health/Nutrition Education and lots of fun and socialization.

As a non-profit organization providing services to the seniors in the Dover community, we have volunteer opportunities that may interest you. Our Meals-on-Wheels program distributes meals to homebound seniors Mon-Wed-Fri. Call Marci at 292-7471 for details. We also need kitchen help to serve our hot meal at Noon, Mon-Fri. Do you have a skill that you'd like to share with our Seniors?

If you find it difficult to exercise during the cold, winter months, you should check out one of the classes offered at Heritage. Pictured above, members of our Strong Bodies class, which focuses on strength and balance. In addition, we offer Tai Chi (Sun Style), especially recommended for those suffering with arthritis, Healthy Steps in Motion and Zumba Gold.

For more information, give us a call at **292-7471** or check out our web site at: www.heritagesrcenter.org.

Attention: Property Owners/Renters if your name or address has changed please notify the Dover Township Enumerator Marsha Schmuck at 292-2363. If you own rental property you are required to notify the enumerator when tenants move in or out.

Homeowners to Prepare Mailboxes for Winter

Dover Township public works wants to remind residents that now is the time to prepare mailboxes for the winter months. Snow thrown from plows can easily damage mailboxes that are not prepared.

Mailboxes are normally placed within the legal right-of-way; however, mailbox damage is the responsibility of the property owner.

If a mailbox is placed as far from the edge of the road as the carrier can reach from a vehicle and the mailbox is placed on a sturdy support, it should be able to withstand the force of snow thrown from a plow.

PennDOT offers these tips to help reduce the risk of mailbox damage:

- Place a 6- to 8-inch piece of reflective tape on the mailbox to help snow plow operators see it at night.
- Remove snow from around the mailbox, but never throw it back onto the road.
- If the mailbox is located within the legal right-of-way and damage was experienced in the past, homeowners may want to consider repositioning the mailbox before winter.

Homeowners who have followed these tips in the past and have still experienced mailbox damage may wish to consider installing a cantilevered mailbox support that will swing a mailbox out of harm's way. Visit www.dot.state.pa.us for a copy of plans for a cantilever mailbox support.

Contact your local post office for more information about how to correctly position a mailbox.

WINTER DRIVING TIPS

Remember, if winter weather is forecast, eliminate all unnecessary travel. This will keep you and your family safe and allow PennDOT to more easily perform our winter duties. However, if you must travel, PennDOT offers the following tips for safe driving this winter season.

- Carry a winter emergency travel kit.
- Listen to weather and travel advisories, and if you don't have to travel in bad weather, don't.
- Keep your gas tank at least half full.
- Slow down and increase following distance.
- Avoid sudden stops and starts.
- Beware of roads that may look wet, but are actually frozen, often referred to as "black ice."
- Use extra caution on bridges and ramps where ice can often form without warning.
- Carry a cell phone.
- Do not use cruise control while driving on snow-covered roads.
- State law requires you to turn on your headlights when your wipers are on.
- Use your low beams in bad weather, especially in cases of heavy or blowing snow.
- Remove ice and snow from windows, mirrors and all vehicle lights as often as needed
- Remove snow and ice from the hood and roof of your vehicle. State law states that if snow or ice from your vehicle strikes a vehicle or person and causes death or injury, you can be ticketed.
- Do not park or abandon your vehicle on snow emergency routes.
- Do not pass or get between trucks plowing in a plow line (several trucks plowing side by side).
- Make sure someone else knows where you are going and when you expect to arrive. In case you run into an emergency and need help, someone will know where to look for you.
- If you do become stranded, it's better to stay with your vehicle until help arrives. Run the engine every hour or so, but make sure the tailpipe is clear and keep the downwind window cracked open.
- Do not drink and drive and always wear your seat belt.

. . . courtesy of www.DriveSafePA.org

SNOW EMERGENCY ROUTES

Clearview Road (entire length)
North Salem Church Road (entire length)
Schoolhouse Road (N Salem Church to Harmony Grove)
Salmon Run Road (entire length)
Emig Mill Road (entire length)
Baker Road (entire length)
Taxville Road (entire length)
Milky Way Road (entire length)
Sundial Road (entire length)
Solar Drive (entire length)
Glen Hollow Drive (entire length)
Falcon Lane (entire length)
Sunshine Drive (entire length)

Weeping Willow Lane (entire length)
Old Carlisle Road (entire length)
Park Street (entire length)
Hilton Avenue (entire length)
Poplars Road (entire length)
Fox Run Road (Canal to Cardinal)
Conewago Road (Carlisle to Rohlers Church)
Rohlers Church Road (Conewago to Bull)
Spectrum Road (entire length)
Rainbow Circle (entire length)
Timberlyn Drive (entire length)
Blue Jay Drive (entire length)
Long Meadow Drive (entire length)
Condor Lane (entire length)

NOTE:

The above roads have been designated as snow emergency routes. No person shall operate a motor vehicle on the designated roads in a manner that may cause the vehicle to become stalled either by not being properly equipped with chains or effective snow tires or running out of gas. The term motor vehicles also include, but are not limited to, snowmobiles, trailers, three-wheeled and four-wheeled vehicles. If a snow emergency is declared, parking on these streets is prohibited until the emergency is declared terminated.

**If a storm is anticipated, remove vehicles from the roadside shoulders. This allows plows to clear the area the first time through, making return trips unnecessary.*

SNOW REMOVAL SEASON

- ❄️ If a storm is anticipated, remove vehicles from the roadside shoulders. This allows plows to clear the area the first time through, making return trips unnecessary.
- ❄️ Do not shovel snow into the road or have your driveway plowed into the road. This can cause a serious traffic hazard.
- ❄️ If possible, wait until the road has been plowed before cleaning out the end of your driveway. There is no practical way to plow the road without depositing snow into your driveway.
- ❄️ Plow operators are urged to take precautions to avoid hitting mailbox posts. Experience has shown that reduced visibility during a storm makes it difficult for a driver to see a post in time to avoid striking it or pushing it over with plowed snow. Any installation within the right-of-way, including a mailbox is placed there at the owner's risk.
- ❄️ Do not be misled by trucks running with their plows raised. They may be returning for fuel or they may be headed to another area. The municipality may not be responsible for all roads in the area. Some roads may be maintained by the state, some by the county, and some roads may be private (as in developments where roads have not yet been dedicated)

Just a reminder with a snow fall of 4 - 6 inches, it takes approximately 15 HOURS to plow all the township roads at least once.

WINTER FIRE SAFETY TIPS

By: Deputy Chief Glenn Jansen
Dover Twp. Volunteer Fire Department

Winter weather is cold and wet, but that doesn't mean it's fireproof. Wintertime fire prevention is a matter of preparation, diligence and common sense.

Have the Furnace Cleaned and Inspected

- The job of the furnace is to produce heat, improperly operating furnaces can result in a fire. Every winter have a professional inspect your furnace for safe operation. Keep anything combustible at least three feet away from the furnace, and make sure the chimney is structurally sound, with no cracks and is clear.

Electrical Safety

- Maybe it's the holidays, or maybe it's not paying attention but something about wintertime makes people addicted to electricity. With so many things to plug in, it can be tempting to overload sockets. This can cause electrical fires. Instead, use good quality surge protectors, and make sure your home's circuitry can handle whatever it is you're powering. Old buildings, especially, have systems that can short out if you overload them.

Electric space heaters are notorious fire starters. Keep all combustible materials three feet away from them, do not overload the circuit, and make sure children stay away.

Fireplaces

- Fireplaces, wood stoves and pellet stoves are functional as heating devices. Make sure yours is properly installed and maintained with proper clearances on all sides. Inspect the chimney every year to make sure it is clear and has no cracks. Use a mesh or glass screen on fireplaces to prevent embers from popping out. Do not use flammable liquids such as lighter fluid to start any fire. Watch where you dump your hot ashes outside, many fires are started due to improper disposal of hot ashes.
