

DOVER TOWNSHIP

Dover Township • York County • Pennsylvania Winter Season 2016 Volume

Welcome Wondrous Winter

As the wondrous season of winter approaches, Dover Township is hoping that the season finds you happy and well! It's the time of year for cozy flannels to add warmth, comfort dishes at the dinner table that are irresistible and everyday topped with the togetherness of family and friends that warm your soul! Along with winter comes many Dover community events to be mindful of and to enjoy! Be sure to take a look within this newsletter to discover the festivities to come! As the weather changes and the possibility of winter weather related events impact the Dover Community, Dover Township will be working hard for its community and residents to be sure that this winter is the safest winter season yet!

Dover Township Meeting Schedule

Board of Supervisors

The Board of Supervisors will hold their regular meetings in the Township Municipal Building, **2480 West Canal Road, Dover, Pennsylvania**, at 7:00 PM on the second (2nd) and fourth (4th) Mondays of the month. The Dover Township Board of Supervisors invites the public to attend.

Industrial & Commercial Development Committee

The Dover Township Industrial and Commercial Development Committee promotes industrial and commercial activities that will expand the greater Dover area tax base. Meetings are held at the Township Municipal Building, **2480 West Canal Road, Dover, Pennsylvania**, at 4:00 PM on the fourth (4th) Wednesday of the month.

Planning Commission

The Dover Township Planning Commission is a five member Commission with one alternate member. The term of office is a five year staggered term. This Commission is an advisory body to the Board of Supervisors. The authority is granted by the Municipal Planning Code of the Commonwealth of Pennsylvania. The local ordinance of control is the Subdivision and Land Development Plan of Dover Township and the Dover Township Comprehensive Plan. Meetings are held at the Township Municipal Building, **2480 West Canal Road, Dover, Pennsylvania**, at 7:00 PM on the first (1st) Wednesday of the month.

Sewer Authority

The Dover Township Sewer Authority is the owner and financier of the Wastewater Treatment Facility, a regional facility, for Dover Township. The body is a five member, staggered term Authority authorized by the Authorities Act of 1945 of the Commonwealth of Pennsylvania. It is a Non-Operating Authority due to a "Lease Back Agreement" of operation to the Township. Meetings are held at the Wastewater Treatment Plant, **851 Graffius Road, York, Pennsylvania**, at 7:00 PM on the fourth (4th) Wednesday of the month.

November 4—Boonsboro, MD/Antietam

December 16—Christmas Village

2017 Budget Message from the Township Manager

Dover Township is proud to present the highlights of the 2017 Budget. No tax increase is projected in this budget. The Board of Supervisors has not increased real estate taxes since 2008, when the millage rate was increased from .828 to 1 whole mil of tax. This means on a \$100,000 assessed home, we receive \$100.00 in real estate tax to use towards the General Fund Operations. Those operations include Parks and Recreation, Fire, Highway, Solid Waste Collection (Leaf and Brush Collection), Planning and Zoning, Police and Administration. The breakout of your \$100 in real estate taxes is shown in the chart below.

General Fund Breakout of your tax dollars per \$100.00 received...

2017 will include various road and stormwater improvements. A left turn lane is scheduled to be installed on Davidsburg Road near Tower Drive and Jayne Lane. Community Development Block Grant Funds will be used to replace a culvert on Nursery Road and the Township will use Liquid Fuels Funds to repair culverts on Rohlers Church and Temple School Roads. We will be conducting engineering design work on the Oakley Drive area to plan for pipe replacement in that area in a future budget. Sealcoating will be performed on Pinchtown Road (Pine Hill to Paradise Rd.), Salem Run (Pine Hill to the end), Salem Run (Pine Hill to Paradise), Pine Hill (Bridge to Salem Run), Pine Hill (Salem Run to Big Mount), and Rohlers Church (Crone to Bull/patches only). Conewago Road (Fish and Game to Piney Hollow) will receive reclamation, binder and an overlay. Base repair will occur on Fox Run Road. A bridge on Clearview Road will also receive maintenance.

The Budget also includes maintenance work to the Township Building and Parks. We anticipate borrowing \$4.5 million to begin a phased garage and municipal building expansion project that will occur between the years of 2017-2018. No tax increase is anticipated to fund this project. An emergency generator from 2016 will continue to be pursued at the Community Building as well as a coating on the roof of the building and replacement of one of the HVAC units. Also, finalization of the baseball field at Edgewood Park and the Community Park Basketball Court will occur.

The Sewer Collection System is currently under a consent order with the Department of Environmental Protection to resolve infiltration and inflow into the system. We have budgeted significant funds to make repairs as breaks, cracks or leaks are discovered within the system. We have completed two lining projects in Cypress South Development/Davidsburg Road and East Canal Road over the last three years. This process is less costly than digging up and replacing existing lines. We have budgeted for another lining project in 2016, which will occur in the Davidsburg Road/Edgewood Park area. The Sewer Authority is preparing for upsizing the Palomino Road Interceptor, a portion of the Joint Use line (located along the Little Conewago Creek) and building a new line north of the Borough for future business growth. The WWTP Plant is currently undergoing a Belt Press Replacement project. The belt presses will be replaced with centrifuge technology.

The Water System is looking at existing wells on Township owned driving range to determine if they are adequate for public water use. We are also replacing water line on Staunton, Highland, Emig Mill, Grandview and Royal during the fall of 2016 into the spring of 2017. Columbia Gas has coordinated to complete work in the Emig Mill Project area immediately following. Paving of Emig Mill will be scheduled in 2018. We are in the process of engineering water on Route 74 North of the Borough to coincide with the Sewer line installation. Well Analysis' will be performed in an effort to prepare for our Water Allocation Permit Renewal in 2018. A water rate increase of \$2.59 per quarter on the first 6,000 gallons used and .41 cent increase per 1,000 on each the 6,000 gallon minimum, will be implemented in January. It has been 6 years since the last rate increase. As always, Dover Township will work diligently to provide you with quality services in the most efficient, professional and cost effective manner possible. We appreciate your selection of Dover Township as your home town!

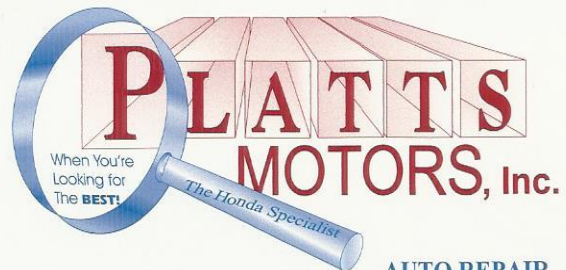

We are your hometown's favorite destination for gardening lovers!

Garbage is POWER
Waste-to-Energy
Working for York County

Every year Dover Township must report its recycling tonnage to the Pennsylvania Department of Environmental Protection. In exchange for this information, the Township receives a grant that is used to fund the Township's Yard Waste Recycling Program. Please be sure to be vigilant in recycling all acceptable items. The more we as a Township recycle together, the less tax revenue is necessary to fund the Township operated curbside brush and leaf collections. In addition, if you take metal and other items to the scrap yard yourself, please bring a copy of the receipt to Dover Township and then this amount can be included in our report for credit!

What to do with Electronic Equipment:

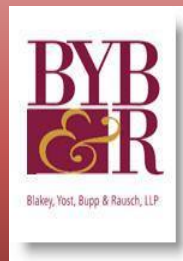

Bring electronics to the Authority's **FREE RESIDENTIAL** electronics recycling program **EVERY** Tuesday, Wednesday and Thursday from 3:00 PM to 6:30 PM at the collection site located on Black Bridge Road in the parking area directly across the street from the York County Resource Recovery Center located at 2651 Black Bridge Road in York.

Township Manholes

Question: *There is a manhole in my yard and my neighbors tell me there is an easement through my property. What does that mean?*

Answer: A law book definition is: **An easement, a privilege to pass over the land of another, whereby the holder of the easement acquires only a reasonable and usual enjoyment of the property and the owner of the land retains the benefits and privileges of ownership consistent with the easement.**

What this means in simple terms is that the township has received; from the property owner, an agreement for the township to use a certain portion of the land and this agreement is part of the deed for the property. This means that it doesn't matter if the land is sold. The easement (also called right-of-way) is tied to land, no matter who owns it.

Question: *OK, so there is a sewer going through my yard. How does this affect how I use my yard?*

Answer: Commonsense applies. Definitely don't dig up your yard where the sewer is. Don't build or place anything that could block access to the sewer. Don't plant trees or bushes in that area. The township has a program of cleaning and inspecting sewers in the township. We need to get our vehicles and equipment to the manholes for routine maintenance. Whenever possible, we try to repair it from the inside out and avoid digging. However, it is possible that the sewer may have to be dug up and replaced. If you have a shed, garage, or other structure within the right-of-way, you may lose it at your expense.

Question: *Why didn't the township keep all the sewers in the streets and avoid easements?*

Answer: Cost effectiveness. When a sewer system is planned out, the engineers try to use gravity for flow of sewage. Pumping stations are very expensive to build and very expensive to operate and maintain.

Question: *Is it dangerous for my family?*

Answer: Not unless someone removes the manhole lid. These lids are heavy and difficult to move. If you see a manhole lid off, call 911 immediately.

Dover Borough Fire Department

January 28th, February 25th, March 25th

Public Supper – Serving Baked Turkey Pie and Boiled Beef Pot Pie – Doors Open at 3:30 p.m. You may eat in the dining room or carry outs are available until they are sold out!

The library's storytelling "Mr. George" Matthew and Pinchot's Environmental Education Specialist, Elizabeth Kepley-McNutt, once again combine the forces of fact and fiction in another series of fun-filled family programs!

Survivor:Winter (A program about habitats/adaptation)

December 10, 2016 10:30 am

Sleep, Big Bear, Sleep! By Maureen Wright

It's time for Big Bear to hibernate, so Old Man Winter keeps telling him: "Sleep, Big Bear, sleep." But Big Bear doesn't hear very well. He thinks Old Man Winter has told him to drive a jeep, to sweep, and to leap. Big Bear just can't seem to hear what Old Man Winter is saying. Finally, Old Man Winter finds a noisy way to get Big Bear's attention. After this story is shared, Beth will explore how local animals use their special skills to survive all winter long.

Leaving A Mark (A program about animal tracks and scat)

January 21, 2017 10:30 am

Everyone Poops by Taro Gomi

Everyone poops. Really. Seriously. Since we all eat, we all must poop. It is not only a fact, but the title of the book to be shared today. The basic message here is that everyone does indeed poop. Gomi presents this in an informative and humorous manner. One can tell much about an animal by examining its scat (you know, poop). They also leave clues to who they are by their tracks. Beth will help us spot the clues left behind by the critters who call our area home.

Feathered Friends (A program about birds)

February 11, 2017 10:30 am

Feathers for Lunch by Lois Ehlert

An escaped house cat encounters twelve common birds in the backyard but captures only feathers for lunch. After this yummy tale, Beth helps us understand what makes a bird a bird, and shares a bit about the different birds that call York County home.

What Am I?! (A program about amphibians/reptiles)

March 25, 2017 10:30 am

I Don't Want to be a Frog! By Devorah Petty

You will love meeting this willful young frog with a serious identity crisis. Frog wants to be anything but a slimy, wet frog. But when a neighbor arrives, our hero decides that being himself isn't so bad after all. This very silly story is told in hilarious dialogue between a feisty young frog and his heard-it-all-before father. At the conclusion of this tale, Beth will help us determine what exactly amphibians and reptiles are and how they are preparing for spring. Some of the most commonly encountered ones here in York County will be presented.

Recurring Children's Programs

Evening Story Time

Monday, January 2, 9, 16, 23 and 30, 7 pm

Monday, February 6, 13, 20 and 27, 7 pm

Monday, March 6, 13, 20 and 27, 7 pm

LEGO Builders Club

Wednesday, January 11, 4:30pm – 5:30 pm

Wednesday, February 8, 4:30pm – 5:30 pm

Wednesday, March 8, 4:30pm – 5:30 pm Lego

Grades 1-6. Supplies will be provided.

Tales for Tales

Saturday, January 14, 10am-12Noon.

Saturday, February 11, 10am-12Noon

Saturday, March 11, 10am-12Noon

Sign-up for 15 minute intervals. Drop-ins welcome.

Storytimes

Baby Time - Tuesdays, Wednesdays, or Thursdays 9:30 a.m.

These sessions are geared for parent and child from birth to 2 years of age.

Toddler Time - Tuesdays, Wednesdays, or Thursdays 10:30 am

These sessions are geared for children ages 2 and 3 with an adult.

Preschool Story Time - Tuesdays, Wednesdays, or Thursdays 1:00 pm. These sessions are geared for children ages 4, 5, and 6. Parents may join us or browse in the library.

Recurring Adult Programs

Adult Coloring Group

Wednesday, January 4, 11, 18, 25, 2:30 pm – 4 pm.

Wednesday, February 1, 8, 15, 22, 2:30 pm – 4 pm.

Wednesday, March 1, 8, 15, 22, 2:30 pm – 4 pm.

Tech Guru

Wednesday, January 1, 2 pm – 4 pm.

Wednesday, February 15, 2 pm – 4 pm.

Wednesday, March 15, 2 pm – 4 pm.

Drop in and talk to the Tech Guru to get help with your PC, laptop, Tablet, or eReader.

The Needle Work Group

Wednesday, January 4, 11, 18, 25, 6pm

Wednesday, February 1, 8, 15, 22, 6pm

Wednesday, March 1, 8, 15, 22, 6pm

Knit, crochet, chat, share, learn, and get out of the house... who could ask for more?

Friday Morning Knitting Group

Friday, January 13, 10 am.

Friday, February 10, 10 am.

Friday, March 10, 10 am.

Knit, chat, share, learn, and get out of the house...who could ask for more?

Breastfeeding Support Group

Friday, January 20, 10 am – 12 noon.

Friday, February 17, 10 am – 12 noon.

Friday, March 18, 10 am – 12 noon.

DOVER TOWNSHIP RESIDENTIAL SNOW REMOVAL SEASON

Simple Tips for all Residents this Winter Season

Residents are advised to follow these simple tips this winter season! If a storm is anticipated, remove vehicles from the roadside shoulders. This allows plows to clear the area the first time through, making return trips unnecessary. Do not shovel snow into the roadway or have your driveway plowed into the road. This can cause a serious traffic hazard. If possible, wait until the road has been plowed before cleaning out the end of your driveway. There is no practical way to plow the road without depositing snow into your driveway. Plow operators are urged to take precautions to avoid hitting mailbox posts. Experience has shown that reduced visibility during a storm makes it difficult for a driver to see a post in time to avoid striking it or pushing it over with plowed snow. Any installation within the right-of-way, is placed there at the owner's risk. Do not be misled by trucks running with their plows raised. They may be returning for fuel or they may be headed to another area. The municipality may not be responsible for all roads in the area. Some roads may be maintained by the state, some by the county, and some roads may be private (as in developments where roads have not yet been dedicated).

Friendly Reminder... With a snow fall of four (4) to six (6) inches, it takes approximately fifteen (15) HOURS to plow all Township Roadways at least once. Please drive safely!

Heating Fire Safety Courtesy of the Dover Township Volunteer Fire Department

Follow these heating tips to help maintain a fire-safe home this winter.

Space Heater

Keep anything that can burn, such as bedding, clothing and curtains, at least 3 feet away from the heater.

Make sure the heater has an automatic shut-off, so if it tips over, it shuts off.

Turn heaters off when you go to bed or leave the room.

Plug portable heaters directly into outlets and never into an extension cord or power strip.

Only use portable heaters from a recognized testing laboratory.

Fireplace

Keep a glass or metal screen in front of the fireplace to prevent embers or sparks jumping out.

Do not burn paper in your fireplace.

Put the fire out before you go to sleep or leave your home.

Put ashes in a metal container with a lid, outside, at least 3 feet from your home.

Wood Stove

Make sure your wood stove is 3 feet from anything that can burn.

Do not burn paper in your wood stove.

Put the fire out before you go to sleep or leave your home.

Have your chimney inspected and cleaned each year by a professional.

Have your furnace inspected each year.

Keep anything that can burn away from the furnace.

Kerosene Heater

Only use kerosene heaters from a recognized testing laboratory.

Make sure the heater has an automatic shut-off, so if it tips over, it shuts off.

Refuel your cooled heater outside.

Please help your Township!

The Dover Township **Adopt a Road Program** beautifies and improves the area you call home! The Dover Township Adopt a Road Program offers many benefits to the community. It provides a clean environment and gives civic pride to all who reside here. This program serves as a reminder not to litter and additionally saves on the cost of taxpayer's money. The Adopt a Road Program is a national litter awareness program. Dover Township is happy to sponsor this program and get as many residents involved as possible who would like to volunteer! Volunteer individuals or organizations such as churches, civic groups, businesses and families like yours or mine are encouraged to join! Dover Township will provide all the necessary supplies needed and in return, the Township requests for a two-year commitment of your time. Within this two-year commitment, the Township will erect a sign identifying the name of your organization representing all of your hard work and dedication! Please contact the Dover Township municipal offices for more information at (717) 292-3634.

Municipal Building

Brush Collection Areas

AREA NUMBER

Place your brush along the public (township or state) road before 7 A.M. on the date for your area of the township.

- Brush should be within 5 feet of the curb or edge of road.
- If the ground is soft or wet, we cannot reach the brush without causing damage to your property.
- Length of the brush should be less than 8' long
- Avoid placing brush behind, near, or around obstacles such as poles, mailboxes, etc.

- Do not park in front of or on top of brush pile.
- Stumps will not be collected.

- AREA 1 – April 17, 2017**
- AREA 2 – April 24, 2017**
- AREA 3 - May 1, 2017**
- AREA 4 – May 8, 2017**
- AREA 5 (Canal & Carlisle Roads) - May 15, 2017**

Brush may be dropped off to the rear of the Township Building at 2480 West Canal Rd at the salt dome. The gate is open from 7 am to 4 pm every second and fourth Saturdays.

This drop off is for residents of Dover Township only.
