

Dover Township and Dover Borough Joint Comprehensive Plan Update

Dover Township and Dover Borough have obtained grant funding from the Pennsylvania Department of Community and Economic Development Municipal Assistance Program and the federal Community Development Block Grant, administered by York County, to update their Joint Comprehensive Plan from 2008. Herbert, Rowland and Grubic, Inc. (HRG) was selected through a request for proposal process as the consultant to guide this planning event. The Joint Comprehensive Plan document is a guide for our communities for the next ten years in all aspects of infrastructure and development planning. In order to have an effective document at the end of this 18-month process, we need you! Please mark your calendars to visit us at our public meetings and on our interactive webpage for the project. See below for more information:

Project Kick-Off Meeting-February 13th from 6-8 PM
Spring Symposium-May 14th from 6-8 PM
Fall Finale-September 10th from 6-8 PM
*All to be held at Dover Township Community Room,
 3700 Davidsburg Road, Dover PA 17315.*

Spring Symposium-May 15th from 6-8 PM
Fall Finale-September 12th from 6-8 PM
Both to be held at Dover Elementary in the Multi-purpose Room.

Can't join us one of these nights? We still need your input. Follow the project at www.DoverCompPlan.org or sign-up for email updates on this same website.

Dover Township Meeting Schedule

Board of Supervisors

The Board of Supervisors will hold their regular meetings in the Township Municipal Building, **2480 West Canal Road, Dover, Pennsylvania**, at 7:00 PM on the second (2nd) and fourth (4th) Mondays of the month. The Dover Township Board of Supervisors invites the public to attend.

Industrial & Commercial Development Committee

The Dover Township Industrial and Commercial Development Committee promotes industrial and commercial activities that will expand the greater Dover area tax base. Meetings are held at the Township Municipal Building, **2480 West Canal Road, Dover, Pennsylvania**, at 4:00 PM on the fourth (4th) Wednesday of the month.

Planning Commission

The Dover Township Planning Commission is a five member Commission with one alternate member. The term of office is a five year staggered term. This Commission is an advisory body to the Board of Supervisors. The authority is granted by the Municipal Planning Code of the Commonwealth of Pennsylvania. The local ordinance of control is the Subdivision and Land Development Plan of Dover Township and the Dover Township Comprehensive Plan. Meetings are held at the Township Municipal Building, **2480 West Canal Road, Dover, Pennsylvania**, at 7:00 PM on the first (1st) Wednesday of the month.

Sewer Authority

The Dover Township Sewer Authority is the owner and financier of the Wastewater Treatment Facility, a regional facility, for Dover Township. The body is a five member, staggered term, Authority authorized by the Authorities Act of 1945 of the Commonwealth of Pennsylvania. It is a Non-Operating Authority due to a "Lease Back Agreement" of operation to the Township. Meetings are held at the Wastewater Treatment Plant, **851 Graffius Road, York, Pennsylvania**, at 7:00 PM on the fourth (4th) Wednesday of the month.

From the Dover Township Water/Sewer Billing Department:

PLEASE NOTE: FAILURE TO RECEIVE A BILL DOES NOT VOID

RESPONSIBILITY FOR ITS PAYMENT OR WAIVE THE PAST DUE PENALTY.

A 10% penalty is imposed on current charges not paid by the due date. All water and sewer bills are due by the 15th of the month unless the 15th falls on a weekend or holiday. If the 15th falls on a weekend or holiday, due date will be the following business day.

There is a rate change for water service in Dover Township for 2019. The rate change for residential water service is \$39.00 for the 1st 6,000 gallons of water usage. Every additional 1,000 gallon will be charged at \$5.90.

Friendly reminder: Dover Township water and sewer bills no longer come in a postcard format. All water and sewer bills come in a bill statement form in an envelope from Dover Township.

Note: The roads listed have been designated as snow emergency routes. No person shall operate a motor vehicle on the designated roads in a manner that may cause the vehicle to become stalled either by not being properly equipped with chains or effective snow tires or running out of gas. The term motor vehicles also include, but are not limited to snowmobiles, trailers, three-wheeled and four-wheeled vehicles. If a snow emergency is declared, parking on these streets is prohibited until the emergency is declared terminated. Snow Emergency information will be available on our website and reported to local news.

Things to Keep in Mind...

- If a storm is anticipated, remove vehicles from the roadside shoulders. This allows plows to clear the area the first time through, making return trips unnecessary.
- Do not shovel snow into the road or have your driveway plowed into the road. This can cause a serious traffic hazard.
- If possible, wait until the road has been plowed before cleaning out the end of your driveway. There is no practical way to plow the road without depositing snow into your driveway.
- Plow operators are urged to take precautions to avoid hitting mailbox posts. Experience has shown that reduced visibility during a storm makes it difficult for a driver to see a post in time to avoid striking it or pushing it over with plowed snow. Any installation within the right-of-way, including a mailbox is placed there at the owner's own risk.
- Do not be misled by trucks running with their plows raised. They may be returning for fuel or they may be headed to another area. The municipality may not be responsible for all roads in the area. Some roads may be maintained by the state, some by the county, and some roads may be private (as in developments where roads have not yet been dedicated).

LET'S TALK!

DOVER TOWNSHIP BULK ITEMS GUIDELINES

Dover Township residents may dispose of one (1) bulk item per week through curb side collection. Please have your waste, recycling and bulk item available for collection at the curb by 6 AM. A bag of trash does not count as a bulk item.

Accepted Materials

Appliances, furniture, mattresses, box springs, one (1) car tire without the rim, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4-foot rolls of carpet (tied).

Non-Acceptable Materials

Electronic Waste (computers, televisions, etc.) chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires on rims, commercial/industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete).

Additional Instructions

Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

YORK COUNTY SOLID WASTE AUTHORITY

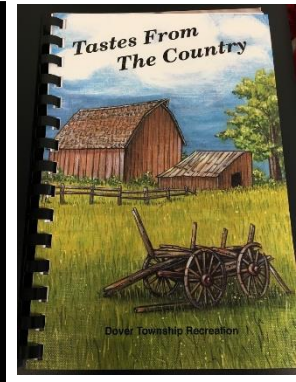

York County Solid Waste Authority's Residential Electronics Recycling Program is free and open to York County residents ONLY and is conducted **Monday thru Friday from 8:00 a.m. to 4:00 p.m.** And **Saturdays from 8:00 a.m. to 12:00 p.m.**

The program is conducted in the parking area located directly across from the York County Resource Recovery Center which is located at 2651 Blackbridge Road.

The Dover Township **Adopt a Road Program** beautifies and improves the area you call home! The Dover Township Adopt a Road Program offers many benefits to the community. Adopt a Road is a national litter awareness program. This program helps to provide Dover Township residents with a clean environment, acts as a reminder not to litter, saves taxpayers money and promotes civic pride. Dover Township is happy to sponsor this program and is looking for volunteers. If you, your family, or your civic minded group would like to volunteer for a 2-year period, please contact us. We will give you all the supplies you need. With that two-year commitment, we will erect a sign identifying the name of your organization.

Please contact Johnyne McClary, for more information at 717-292-3634, or jmclary@dovertownship.org.

Dover Township Fire Department Station 9

We are looking for new members!

Firefighting, EMS, Fire Police, and Auxiliary.

Are you looking for a change in pace, or a way you can serve your community?! The Dover Township Fire Department is currently seeking highly motivated individuals wanting to advance their firefighting career or to start it today!

Dover Township responds to hundreds of emergency calls a year ranging from Structure Fires, Vehicle Rescues, Specialized Tech Rescue, and much more! You won't find another firehouse in the area where you will gain this experience of a lifetime. With a staffed firehouse the chance of being first arriving to an emergency will raise your experience level much faster than showing up late into the game.

Dover Township Offers and Requirements:

- A great young atmosphere at the station.
- Immediate response when the alarm comes in!
- 18 years old to drive apparatus(s).
- Close to York College, Penn State York, and HACC.
- Semi Private dorm rooms.
- State of the art lounge/dayroom.
- Great, reliable newer apparatus(s).
- The newest available personnel equipment.
- Enough calls and fires to keep it interesting, but not too many calls to become overwhelming.

If this seems like something you are interested in or if you know someone who this might benefit, please message us or share. You can find us on Facebook, Instagram, or feel free to just stop in at our station located at 3700-1 Davidsburg Road, Dover PA 17315!

Dover Ambulance Club News

Dover Ambulance is proud to celebrate 60 years of Service in 2018. DAAC has a volunteer Board of Directors and is overseen by Dover Township and Dover Borough, along with one past member, a current member and a citizen at large.

DAAC had an unexpected major break down of the 2009 Ambulance in October. The truck was 10 years old and needed a repair over \$5000. The decision was made to use money as a down payment for a new re-chassis of the old box on a 2019, gas engine Ford E-450 chassis. This will be the old patient compartment boxes 3rd re-chassis but why waste a good thing - recycle. The cost of this transformation will be \$100,000 which is still cheaper than the typical cost of \$200,000. Dover Ambulance will be doing a fundraiser this spring, as our costs go up and funding is going down. Subscription cards are available in the lobby.

DAAC wishes everyone a Safe and Memorable Holiday Season!

Conewago Garden Club News

The Conewago Garden Club typically meets the 3rd Wednesday of every month. Activities of the club include fieldtrips - for example: Appell Gardens, Gardener of the Owl Valley, The Hosta Hideaway and more. The club also enjoys speakers on subjects such as birds, how to sharpen your garden tools and gardening (flowers and vegetable).

Some of the other things the club does are luncheons and decorating The Log House for Christmas. The club has planted the planters in Dover Square in the past. Goals of the club are sharing, learning and working together to encourage interest in horticulture, gardening, artistic design, community beautification and more.

Join us for our Jan. 16, 2019 meeting at 10:00 am at The Log House, 2481 W. Canal Rd., Dover, PA. when we will defrock the cabin's Christmas tree and present programming for 2019 with a luncheon to follow.

Union Fire and Hose #1 (Dover Borough)

Access and Functional Needs

Do you or a loved one have special needs during an evacuation? Do you use a wheel chair, walker, confined to a bed, on oxygen or any medical devices implanted or external to the body? No one wants to admit they have a problem or disability. In an EMERGENCY, Dover Twp EMA wants to be there for you and help with your needs. The form is now placed on Dover Twp website: www.dovertownship.org. A copy is in this newsletter.

If you completed the form in the past, please note that we added Medical Devices and Generators. We want to help you when the generator fails to start and you need electricity to run your devices. Please help yourself and complete the attached form.

Thank You,
Annie Zarlenga, EMC & Peggy Durnin, Public Health & Medical Officer, Dover Ambulance

New Hope Ministries is a community based Christian social service agency which provides assistance to at risk and in crisis individuals and families. New Hope Ministries shows the love and hope of Christ by serving our neighbors in times of need and supporting their efforts toward stability.

**The Dover community is a huge supporter of New Hope Ministries!
 Thank you for your continued dedication to our agency.**

"Nothing I say can truly describe how thankful I am for everything that has been done for me and my children." These heartfelt words were shared by one of our recent Nurse Aide Program graduates. Thirteen students completed their classroom studies at New Hope. From here, each one heads to the next step of the program in partnership with Harrisburg Area Community College. Look out world – this thankful and motivated group of future Nurse Aides is on the move!

Are you looking for a way to help feed the hungry? Join the growing number of businesses and civic organizations who are helping Feed-A-Friend as we speak! Feed-A-Friend is a community-outreach initiative to collect food and raise funds for the people served through the food program at New Hope Ministries. It's easy to get started:

- Choose to Feed-A-Friend! Make the commitment to collect non-perishable food items and/or monetary donations to support New Hope Ministries.
- Schedule a day, week, or month to hold your very own Feed-A-Friend event around YOUR schedule.
- Set a goal! Fill up a certain number of boxes or raise a specific amount of money.
- On our website you can download fillable flyers, food list flyers, and social media icons.

Hold your food drive and collect funds to feed the hungry and end poverty in our community. Please check out our website at: www.nhm-pa.org for all details!!

Join us and volunteer! Get a group together and serve in Dover. Volunteer Applications can be obtained by visiting our web site at www.nhm-pa.org or by stopping by our Center.

2019 Budget Message from the Township Manager

Dover Township has experienced much growth over the last 15 years. That growth has required thoughtful planning on the expansion of our departments. During that timeframe, the Township has only increased real estate taxes once in 2008, when the millage rate was increased from .828 to 1.0 mil of tax. This year the Township Budget experienced some significant cost issues that have resulted in the need for a tax increase to 1.3 mils. The Township has undergone a garage expansion project, which was sorely needed for better efficiency of operations and future growth. That project was financed through a bond issue. Unfortunately, as sometimes happens with projects such as this, change orders related mostly to rock that was encountered with utility relocations has forced the Township to borrow more funds. We could not make this additional debt service without a tax increase. In addition to that, wet weather has wreaked havoc with Township infrastructure. Although we were certainly lucky by comparison to some parts of York County, stormwater washouts of culvert pipes, bridge deterioration and road maintenance have been affected by this wet weather. In order to continue to invest in this infrastructure, the Township needs this millage increase. Lastly, as you may have seen in the news, stormwater has become an ever-growing cost for communities. Dover Township is a permitted municipality through the Municipal Separate Storm Sewer System Program (MS4). Our permit requires pollution reduction in sediment, phosphorus and nitrogen. These reductions are coming from investment in projects to restore our watershed to improve the Chesapeake Bay. We have chosen to join the York County Stormwater Coalition to fund these projects with 41 other municipalities, so that the money can be invested in the best projects to get us to that goal. Due to the size of our Township, its population, and the number of streams we have running through it, our five-year budget investment in the Pollution Reduction Plan, is \$202,542 per year. Additionally, our Northern Regional Police Department contribution was increased by \$203,159. We simply could not endure these costs and continue to fund our infrastructure without a tax increase.

General Fund Breakout of your tax dollars per \$130.00 received...

2019 will include various road and stormwater improvements. In addition, to continuing to address storm damage that occurred at a culvert on Conewago Road and Fish and Game, which has been delayed due to DEP requiring another permit for the project, Poplars Road will also have a pipe replaced that was damaged this summer. A left turn lane that is scheduled to be installed on Davidsburg Road near Tower Drive and Jayne Lane will be finalized. Rohler's Church Road will be paved from Bull to Circle Drive. Stormwater pipe will be lined on Jessica Road and Abby Lane. We also are entering into an agreement to lease purchase a new street sweeper.

The Budget also includes maintenance work to the Township Community Building to seal the roof over the Dover Library, Heritage Senior Center and Community Room. The roof over the Fire Department was completed in 2018.

The Sanitary Sewer System is currently under a consent order with the Department of Environmental Protection to resolve infiltration and inflow into the system. We have budgeted significant funds to begin a line replacement project in the Andover Subdivision and in the future Eagle View Park. Additional lining is anticipated, but a project location has not been selected to date. We will engineer for the replacement of portions of the Fox Run Interceptor this year. The Sewer Authority has awarded a contract to Anrich, Inc. for upsizing the Palomino Road Interceptor, which should begin this winter. A portion of the Joint Use line (located along the Little Conewago Creek) is currently being finalized for bid in early 2019. This project will include a new headworks for the Wastewater Treatment Plant, which will aid in screening items that are harmful to the pumps at the plant. A new line north of Dover Borough for future business growth, is currently in design and permitting.

The Water System continues to work toward engineering a water line replacement on Route 74 North of Dover Borough to coincide with the Sewer line installation. A portion of the Andover Subdivision will receive new water lines. Two new trucks will also be purchased for the department. A water rate increase of \$4.01 per quarter on the first 6,000 gallons used and \$.35 increase per 1,000 gallon after the first 6,000 was authorized in the budget as well. It has been 2 years since the last rate increase.

As always, Dover Township will work diligently to provide you with quality services in the most efficient, professional and cost-effective manner possible. We appreciate your selection of Dover Township as your home town!
