Public Meetings

Board of Supervisors

The Board of Supervisors will hold their regular meetings in the Township Municipal Building, 2480 West Canal Road, Dover, Pennsylvania, at 7:00 PM on the second (2nd) and fourth (4th) Mondays of the month. The Dover Township Board of Supervisors invites the public to attend.

Industrial & Commercial Development Committee

The Dover Township Industrial and Commercial Development Committee promotes industrial and commercial activities that will expand the greater Dover area tax base. Meetings are held at the Township Municipal Building, 2480 West Canal Road, Dover, Pennsylvania, at 4:00 PM on the fourth (4th) Wednesday of the month.

Planning Commission

The Dover Township Planning Commission is a five member Commission with one alternate member. The term of office is a five year staggered term. This Commission is an advisory body to the Board of Supervisors. The Authority is granted by the Municipal Planning Code of the Commonwealth of Pennsylvania. The local ordinance of control is the Subdivision and Land Development Plan of Dover Township and the Dover Township Comprehensive Plan. Meetings are held at the Township Municipal Building, 2480 West Canal Road, Dover, Pennsylvania, at 7:00 PM on the first (1st) Wednesday of the month.

Sewer Authority

The Dover Township Sewer Authority is the owner and financier of the Wastewater Treatment Facility, a regional facility, for Dover Township. The body is a five member, staggered term, Authority authorized by the Authorities Act of 1945 of the Commonwealth of Pennsylvania. It is a Non-Operating Authority due to a "Lease Back Agreement" of operation to the Township. Meetings are held at the Wastewater Treatment Plant, 851 Graffius Road, York, Pennsylvania, at 6:00 PM on the fourth (4th) Wednesday of the month.

Zoning Hearing Board

The Dover Township Zoning Hearing Board is a five member Board. This body is a Quasi Judicial Body whose authority is granted by the Municipal Planning Code of the Commonwealth of Pennsylvania. There is one alternate member. The term is a five year staggered term. Local authority and guide line of operational decision is established by the Dover Township Zoning Ordinance and the Dover Township Comprehensive Plan. Meetings are held at the Township Municipal Building, 2480 West Canal Road, Dover, Pennsylvania, at 7:00 PM on the third (3rd) Wednesday of the month **AS NEEDED**. Please check www.dovertownship.org for details and updates on scheduled meetings.

Inflow & Infiltration Inspections

Dover Township has started Inflow & Infiltration Inspections within Dover Township's sanitary sewer collection system. These inspections are conducted inside and outside of your home to ensure that there is no ground or stormwater entering Dover Township's sanitary sewer system. Examples of how this could occur are sump pumps, rain spouts, floor drains or footer drains connected to Dover Township's sanitary sewer system. It is extremely important to eliminate any amount of ground or stormwater entering Dover Township's sanitary sewer system. This effort will reduce the amount of clear ground/rainwater being treated at Dover Township's Wastewater Treatment Plant. If this Inflow and Infiltration is not corrected, it may increase rates to cover the additional cost of treatment and pipe projects.

Other ways you can help our community reduce Inflow & Infiltration is, if you encounter a missing manhole cover or a missing cleanout cap in your yard, please call Dover Township at **717-292-3634**. Thank you for your cooperation and understanding.

Common areas where inflow and infiltration occur

In Public System:

1. Breaks or open joints in lateral or main pipes
2. Faulty manhole covers
3. Open joints or cracks in service chamber

On Private Property:

1. Improper foundation or roof drain connections
2. Uncapped cleanout
3. Root intrusion
4. Breaks or open joints in service lateral

What Type of Building Permit Do You Need?

Zoning Permit

- Construction or installation of a fence
- Adding any newly paved area, widening or replacement of an existing driveway
- Construction of a detached deck less than 30" above ground
- Construction or installation of a shed
**100 square feet- 999 square feet*
- Construction or installation of an unattached carport, garage or outbuilding
**under 1000 square feet*
- Construction or installation of any patio, porch or retaining wall under 4 feet
- Sidewalks or walkways not in a right of way

Demolition of a structure will require a Demolition Permit

No Permit Required

- Replacement of doors or windows of the same size
- Replacing shingled roofing, felt underlayment, flashing, gutters & downspouts with **no** structural alterations
- Replacing siding with **no** structural alterations
- Finishing basements that **do not** include bedrooms
- Repairing or replacing deck boards with **no** structural alterations

Please contact our office at 717-292-3634 if you have any questions or are unsure what type of permit is needed for your project.

**This is meant to be a quick reference for frequently occurring projects. Residents are encouraged to contact the Building Code Official with project related questions.*

Building Permit

- Any type of pool or hot tub capable of holding water 24" deep or more.
**If your Pool is taken down every year, you will need a new permit every year to put it back up.*
- Any structural alterations to existing buildings or homes.
- New home construction & additions onto existing homes
- Construction or installation of an attached deck or any deck 30" above ground level.
- Construction or installation of a garage, carport, pole building or outbuilding
**1000 square feet or larger*
- Adding a roof to a patio, porch or deck that will be attached to the home
- Upgrading, adding or relocating an electrical Service

A Message from the Water Department...

Dover Township will begin flushing fire hydrants in the month of April. During this time, you may experience sputtering faucets and cloudy/dirty water. This is due to air that has entered the line and the stirring up of sediment that has coated the mains. This is normal and to alleviate the problem, let your

faucet run for 3 to 5 minutes.

If the problem persists, please contact our office at 717-292-3634.

Clearview Road Bridge to Be Replaced

The 5600 block of Clearview Road closed on March 13, 2023 to all traffic. A signed detour was placed on Harmony Grove Road due to other anticipated construction projects on York County and PennDOT bridges. Lobar Site Development is replacing the 74 year old bridge that is located just north of Davidsburg Road. After overhead wires and poles are relocated the contractor will begin demolition and construction on a longer bridge at an estimated cost of \$751,341. This is the third of twelve bridges that the Township has bundled together to replace or upgrade within the Township. During the summer months, maintenance upgrades will be performed at nine other locations. Keep alert to the Township website and newsletter for updates on the construction progress over the next 9 months.

Cold-in-place Recycling

Currently Dover Township is working with a design engineer to recycle the roads with a cold-in-place (CIP) recycling process, within the entire Andover Development. This process uses existing material mixed with an emulsion. The existing roadway surface will be milled, mixed with an emulsion, and re-laid on the roadway surface. When the recycling process is complete and cured, full paving overlay will take place. Dover Township is working with Dover Area School District to plan for this work to be completed during summer break.

The Senior Center continues to accept donations for the new building fund.

HERITAGE SENIOR CENTER

3700-4 Davidsburg Rd.
Dover, PA 17315
Phone: 717-292-7471
www.heritagesrcenter.org

The Heritage Senior Center will be participating in "Give Local York" again this year. It will be 24 hours of giving which will begin on May 4th at 9:00pm and run until May 5th at 9:00pm.

-Are you 60 years of age or older and live in the Dover/West York area? Than you are eligible to join the Heritage Senior Center for free. Check out our monthly newsletter for updated information about the center on our website: www.heritagesrcenter.org. Also, sign up for the email list to receive our monthly newsletters.

-The Heritage Senior Center continues to deliver meals to home bound seniors. Nutritious meals are offered Monday through Friday to members eating at the center or for a To-Go pickup meal, by donation only.

Yard Waste Guidelines

For Dover Township Residents

Yard Waste is...

material such as tree trimmings, shrubbery and other organic landscape vegetation not listed below.

Do NOT place these items out for yard waste collection:

Grass Clippings Fruits & Vegetables

Tree Stumps

Dirt & Stones

How to Prepare Yard Waste:

1. Place your yard waste in biodegradable brown paper bags or bundle it with biodegradable twine in easy-to-handle bundles.
 - Bundles may be no longer than 5 feet in length.
 - Bundles may not weigh more than 30 pounds each.
 - Branches may not exceed 6 inches in diameter.
2. Yard waste must then be placed at the curb on your scheduled yard waste pick up day before your collection time.
3. An Unlimited number of bags or bundles may be placed at the curb.

Yard Waste in Plastic Bags WILL NOT be collected!

**Questions? Please contact Penn Waste at:
717-767-4456 or visit www.pennwaste.com**

A COUPLE REMINDERS...

- ALL TRASH/RECYCLING BINS ARE TO BE REQUESTED FROM PENN WASTE @ 717-767-4456
- ONE TRASH BIN AND ONE RECYCLING BIN WILL BE PICKED UP EACH WEEK
- ONE LARGE ITEM A WEEK IS PERMITTED. MUST CALL PENN WASTE TO SCHEDULE A PICK UP.
- YARD WASTE IS COLLECTED ONCE A MONTH ON THE FOURTH SATURDAY
- TRASH AND RECYCLING BINS NEED TO BE PLACED AT THE EDGE OF THE CURB CLOSEST TO THE ROAD ABOUT 3 FEET APART

DOVER TOWNSHIP'S TRASH AND RECYCLING IS CURRENTLY CONTRACTED THROUGH PENN WASTE AND DOVER TOWNSHIP DOES NOT HANDLE THE PAYMENTS OR BILLING FOR THIS SERVICE. ALL BILLING RELATED QUESTIONS AND COMPLAINTS OF ANY KIND SHOULD BE DIRECTED TO PENN WASTE BY CALLING (717) 767-4456

Adopt a Road/Park

Help keep Dover Township beautiful

ADOPT A ROAD/PARK IS A NATIONAL LITTER AWARENESS PROGRAM THAT ACTS AS A REMINDER NOT TO LITTER, AS WELL AS SAVES TAXPAYER DOLLARS AND PROMOTES CIVIC PRIDE.

DOVER TOWNSHIP IS HAPPY TO SPONSOR THIS PROGRAM AND IS LOOKING FOR VOLUNTEERS. IF YOU, YOUR FAMILY, YOUR ORGANIZATION OR YOUR COMPANY/BUSINESS WOULD LIKE TO VOLUNTEER, PLEASE CONTACT US. WE WILL PROVIDE ALL THE SUPPLIES NEEDED, INCLUDING ROAD SIGNS, GLOVES, AND TRASH BAGS. WE WILL PLACE A SIGN ON THE ROAD OR IN THE PARK IDENTIFYING THE NAME OF THE ORGANIZATION PARTICIPATING IN THE ADOPT A ROAD/PARK PROGRAM.

Please contact Jenica Kroft for more information at 717-292-3634 or jkroft@dovertownship.org.

MINIMUM REQUIREMENT OF TWICE A YEAR CLEAN UP WITH TWO YEAR CONTRACT

PENN WASTE, INC.

Bulk Item Collection Guidelines

Residents may...

dispose of one (1) bulk item per week by scheduling collection through our customer service department. Please follow the guidelines listed.

Acceptable

- Appliances (i.e. washer, dryer, microwave)
- Carpet (48 inch maximum length, must be rolled and tied)
- Car tires only - No Rims! (2 tires = 1 bulk item)
- Furniture
- Lawn mowers (oil and gasoline must be removed)
- Mattress & box spring
- Plumbing fixtures (i.e. toilets & sinks)

1. No items that are too heavy to be lifted into a truck by two people will be collected.
2. Additional trash bags ARE NOT considered bulk items!
3. Call Penn Waste at 717-767-4456 to schedule collection of all bulk items.
4. Please have your bulk item curbside the evening before your scheduled collection day.

Unacceptable:

- Automobile parts
- Car & Truck batteries
- Chemicals, stains & liquids
- Commercial/industrial waste
- Construction material (i.e. drywall, masonry, lumber, roofing shingles, tiles)
- Freon Appliances
- Hazardous waste
- Tires on rims
- Electronic Waste

All large items, including appliances with Freon, will be collected by appointment only. Items with Freon include but are not limited to refrigerators, freezers and air conditioners. Please call Penn Waste at 717-767-4456 to schedule collection.

The Northern York County Regional Police Department is constructing a new police headquarters in the Manchester Township Commerce Center in northern Manchester Township. Construction on the building should start in the Summer of 2023 with completion in late 2024.

Northern York County Regional Police Project Lifesaver

Project Lifesaver provides law enforcement with a program designed to protect, and when necessary, quickly locate individuals with cognitive disorders who are prone to the life threatening behavior of wandering. The necessity of this program was determined through the correlation between cognitive conditions and the act of wandering. The program has grown from a localized program to a program recognized internationally as a proven and effective method of "bringing loved ones home."

The method relies on proven radio technology and specially trained search and rescue teams. Citizens enrolled in Project Lifesaver wear a small transmitter on the wrist or ankle that emits an individualized frequency signal. If an enrolled client goes missing, the caregiver notifies their local Project Lifesaver agency, and a trained emergency team responds to the wanderer's area. The first responders will then use the client's individualized frequency to locate the position of the individual.

The Northern York County Regional Police Department has nine officers trained in the operation of the Project Lifesaver Program. Four of these officers are School Resource Officers.

If you are a Parent, Guardian or Caregiver of an individual that is at risk of wandering away and you feel they should be enrolled in the Project Lifesaver Program please visit www.nycrpd.org and complete the information on the Project Lifesaver Page located on the right side of the home page.

If you don't believe that your loved one is a wandering risk but would like to provide the NYCRPD with information about their at risk or special circumstances, please visit www.nycrpd.org and complete the information on the At Risk Individual / Special Circumstances Page located on the right side of the home page.

Safe Fireworks Disposal

Always think about safety when using fireworks!

-  Use fireworks outdoors only.
-  Obey local laws. If fireworks are not legal in your community, do not use them.
-  Always have water handy (a hose or bucket) and follow manufacturer's instructions.
-  Never relight a "dud" firework. Wait 20 minutes and dispose of properly.
-  Use common sense.

Fireworks and Safe Disposal

If you have unused, misfired or "dud" fireworks, following these safe disposal steps will help ensure the protection of you, your family and waste haulers and handlers:

- Completely submerge fireworks in a large bucket of water and soak until thoroughly saturated. This may take 15 minutes for small fireworks or as long as overnight for larger ones.
- Double wrap the completely soaked fireworks in plastic wrap or two plastic bags so they do not dry out.
- Place the double-bagged fireworks in the household trash or take them to your local solid waste facility.
- You can contact your local fire department or solid waste facility as other disposal options may be available in your community.

If you plan to store unused fireworks that have not yet expired, keep them in a cool, dry place such as a garage and out of the reach of children. Never place fireworks on top of an electrical appliance, such as a refrigerator or freezer. The appliance could be struck or damaged through extreme weather events such as lightning or power surges, resulting in the possible ignition of the fireworks.

Three Steps to Safe Fireworks Disposal

Soak

- Completely submerge fireworks in a bucket of water. Allow to soak overnight.

Wrap

- Double wrap soaked fireworks in plastic wrap or plastic bags so they do not dry out.

Dispose

- Place wrapped bags in regular household garbage and take to your local solid waste facility.

Fireworks and Air Quality

Like any combustion, fireworks produce a variety of air pollutants including particulates. The compounds used to produce fireworks colors contain metals which enter the surrounding air when the fireworks explode and later settle. Fireworks that combust near ground level can have short-term, limited impacts on air quality and should be used with care near sensitive groups such as children, the elderly or people with asthma or respiratory disease.

Fireworks and Water Quality

For visual effect, fireworks are often detonated over or near water. As noted above, fireworks may contain a variety of pollutants such as certain metals that can also contaminate water. However, the amount of these potential contaminants is relatively slight in comparison to the volume of water and since detonation typically occurs well above the water surface, pollutants are dispersed by the wind with little falling directly on the water. Users should remove and dispose of any visible debris or litter from shell materials. Fireworks should never be detonated in the water since the concussion effect could kill nearby fish or other aquatic life.

A message from Dover Area Ambulance Club

In 2022 DAAC ran 2,315 calls and we are proud to say we are still dedicated to the Dover communities 911 needs and do not go out of service to do routine transports.

Please keep in mind that just because you call 911 for an ambulance you are not guaranteed to be directly admitted to an ER bed at the hospital. Depending on your health issue, you may go to a waiting room till it is your turn. Ambulance rides do not guarantee you will be seen quicker.

DAAC is proud of our 17 EMT's, for giving their time and talents to our residents. Several of our EMT's have extensive DAAC only longevity:

Kelly Barker has 16 years, Jenn Rupert 12 years, Jerry Masucci 24 years, Mike Hudnet and Quinn Fasnacht with 6 years and Gabby Orndorff for 4 years.

Thank you all for your support to continue this Emergency Ambulance Service.

Shiloh Garden Club

The Shiloh Garden club will be sponsoring a bus trip to Flight 93 Memorial on April 27, 2023 as well as a visit to the Remember Me Rose Garden. Lunch is at your own expense at the Omni Bedford Springs Resort in Bedford, PA. The cost of the Bus trip is \$60.00 payable to Shiloh Garden Club. Please call Margaret Runkle at 717-870-9249 or email mrunkle51@gmail.com to make reservations. All checks can be sent to Margaret at 2380 Sunset Lane, York, PA 17408-4337. Information about our club can be found on our Shiloh Garden club Facebook page. New members are always welcome.

HANDLING MARKET *Volatility*

By: Kevin J. Smith, CFP®, CFA®, AIF®, ChFC®, CLU®, CAP®, CRPC®, CLTC®, NSSA®, RICP®, AWMA®, AAMS®

Conventional wisdom says that what goes up must come down. But even if you view market volatility as a normal occurrence, it can be tough to handle when it's your money at stake. Though there's no foolproof way to handle the ups and downs of the stock market, the following common sense tips can help.

Don't put your eggs all in one basket

Diversifying your investment portfolio is one of the key ways you can handle market volatility. Because asset classes often perform differently under different market conditions, spreading your assets across a variety of investments such as stocks, bonds, and cash alternatives (e.g., money market funds, CDs, and other short-term instruments), has the potential to help reduce your overall risk. Ideally, a decline in one type of asset will be balanced out by a gain in another, but diversification can't eliminate the possibility of market loss.

Focus on the forest, not on the trees

As the market goes up and down, it's easy to become too focused on day-to-day returns. Instead, keep your eyes on your long-term investing goals and your overall portfolio. Although only you can decide how much investment risk you can handle, if you still have years to invest, don't overestimate the effect of short-term price fluctuations on your portfolio.

Don't stick your head in the sand

While focusing too much on short-term gains or losses is unwise, so is ignoring your investments. You should check up on your portfolio at least once a year, more frequently if the market is particularly volatile or when there have been significant changes in your life. You may need to rebalance your portfolio to bring it back in line with your investment goals and risk tolerance. A financial professional can help you decide which investment options are right for you.
