Attn: Ms. Laurel Oswalt

Dear Laurel,

Penn Waste has been notified that effective January 1, 2024, disposal rates at the York County Resource Recovery Facility are increasing \$7.00/ton. The York County Disposal Plan mandates that all municipal-like waste be disposed of at the York Incinerator. Please see the attached letter documenting the increase. As a result of this disposal increase, Penn Waste will need to increase its quarterly rate per home by \$1.57 per quarter. Your original rate for January 2024 was \$70.14 per quarter for Regular Trash Customers and \$51.24 per quarter for Low Volume Trash Customers. The new quarterly rate for Dover Township will be \$71.71 per quarter for the Regular Trash Customers and \$52.82 per quarter for the Low Volume Service effective January 1, 2024. This figure was arrived at by using the township's 2022 tonnage figures for a total of 7846.2 tons.

Recycle Only customer's rate will not be increased.

Penn Waste looks forward to servicing the residents of Dover Township and to providing quality service.

Sincerely,

Joel Washok
