

NOTICE

Dover Township's plumbing licenses expire each year on December 31. To keep your license active, you must reapply each year by completing a new application.

Instructions for Submission:

- 1) Submit your completed application along with the necessary fees.
- 2) Attach proof of qualifications if you do not currently possess a plumbing license in Dover Township. This may include a current license from a second-class municipality or higher where the PA UCC (Pennsylvania Uniform Construction Code) is implemented and enforced, or a Certificate of Successful Completion and Testing issued within the last three years that certifies the plumber seeking licensing is qualified to perform that level of work.
- 3) Provide a Certificate of Liability Insurance, listing Dover Township as the certificate holder.

Applications can be submitted:

- In person at the Dover Township Office
- By mail to: Dover Township

Once the Township receives all the necessary information, your new license will be issued on a first-come basis. No attempt will be made to assign the same license number as the previous year. If you are applying for a license by mail, please include a stamped, self-addressed envelope for the return.
